**William L. Rowe on Philosophy of Religion** William L. Rowe,Nick Trakakis,2017-05-15 William Rowe is one of the leading thinkers in contemporary philosophy of religion Although he is best known for his contributions to the problem of evil he has produced innovative and influential work across a wide array of subjects at the interface between philosophy and religion He has for example written extensively on the existentialist theologian Paul Tillich on the challenging problem of divine freedom and on the traditional arguments in support of the existence of God His work in these areas is distinguished by its clarity rigour originality and sensitivity towards the claims of his theistic opponents Indeed Rowe s work has played a pivotal role in the remarkable revival of analytic philosophy of religion since the 1970s The present collection brings together for the first time Rowe s most significant contributions to the philosophy of religion This diverse but representative selection of Rowe s writings will provide students professional scholars as well as general readers with stimulating and accessible discussions on such topics as the philosophical theology of Paul Tillich the problem of evil divine freedom arguments for the existence of God religious experience life after death and religious pluralism      **Handbook of Philosophical Logic** Dov M.

Gabbay,Franz Guenther,2007-08-28 The fourteenth volume of the Second Edition covers central topics in philosophical logic that have been studied for thousands of years since Aristotle Inconsistency Causality Conditionals and Quantifiers These topics are central in many applications of logic in central disciplines and this book is indispensable to any advanced student or researcher using logic in these areas The chapters are comprehensive and written by major figures in the field      **The**

*Epistemological Issues in Classical Chinese Philosophy* Hans Lenk,Gregor Paul,1993-08-03 This book shows that classic Chinese philosophy is as rational as Western approaches dealing with the problems of logic epistemology language analysis and linguistic topics from a philosophical point of view It presents detailed analyses of rational and methodological features in Confucianism Taoist philosophy and the School of Names as well as Mohist approaches in classical Chinese philosophy especially in regard to ideas of valid knowledge The authors also provide new arguments against cultural relativism and

antirational movements like religious fundamentalism that do not pay due attention to what all human beings have in common to cultural universals     The Death of Death in the Death of Christ John Owen, 2017-10-12 Owen was a renowned theologian in his day and this work is a piece of theological brilliance in the reformed and protestant tradition The death of Christ had a wide range of implications on the fate of humanity and the cause of redemption that Christ came to give to us all This work goes over all the arguments that have been set up against the reality of Christ's death and Owen brilliantly rebukes these arguments and settles it all
