OECD Economic Surveys: New Zealand 2022 OECD,2022-01-31 The New Zealand economy recovered quickly from the COVID 19 shock thanks to effective virus containment measures to protect jobs and incomes and highly expansionary macroeconomic policies but is now overheating and house prices have soared The Reserve Bank has begun to tighten monetary and macroprudential policies with a view to achieving its price and financial stability objectives

Humanizing the Digital Workspace Marko Orel,Matej Černe,Sut I Wong,2025-05-09 The digital economy has fundamentally transformed how we live and work bringing opportunities and challenges One of the key challenges is understanding how to effectively navigate the relationship between people and technology and harness its power to foster creativity innovation and digital leadership This book examines the relationship between people and technology in the digital workspace from a multidisciplinary perspective Unlike most of the existing literature which focuses on the technological aspects of digitization in the workplace this book equally considers the psychological social and cultural implications as well The contributing authors also provide insights on employee well being motivation and engagement and challenge the assumption that digital technology stifle creativity by demonstrating how innovation can foster collaboration experimentation and risk taking Featuring research theories case studies surveys and interviews from fields such as sociology psychology and management this book is of interest to scholars researchers and students in sociology psychology management and related disciplines as well as professionals and leaders looking to better understand the impact of technology on the modern workplace

Shifting Paradigms Zia Qureshi,Cheonsik Woo,2022-01-11 Addressing the big questions about how technological change is transforming economies and societies Rapid technological change likely to accelerate as a consequence of the COVID 19 pandemic is reshaping economies and how they grow But change also causes disruption creates winners and losers and produces social stress This book examines the challenges of digital transformation and suggests how creative policies can make it more productive and inclusive Shifting Paradigms is the second book on technological change produced by a joint research project of the Brookings Institution and the Korea Development Institute Contributors are experts from the United States Europe and Korea The first volume Growth in a Time of Change was published by Brookings in February 2020 The book s underlying thesis is that the future is arriving faster than expected Long accepted paradigms about economic growth are changing as digital technologies transform markets and nearly every aspect of business and work Change will only intensify with advances in artificial intelligence and other innovations Investors business leaders workers and public officials face many questions Is rising market concentration

inevitable with the new technologies or can their benefits be more widely shared How can the promise of FinTech be captured while managing risks Should workers fear the new automation Are technology driven shifts in business and work causing income inequality to rise How should public policy respond Shifting Paradigms addresses these questions in an engaging manner for anyone interested in understanding how the economic and social agenda is being transformed by today's winds of change *Climate Change and Agricultural System Response* Dingde Xu, Qirui Li, Shaoquan Liu, Li Peng, 2022-10-07

Trending Digital Productivity: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the captivating narratives that have charmed audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Trending Digital Productivity : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
