Wife Traders:

The Wife Traders Arthur Stringer,1936 **The Wife Traders** Loren Beauchamp,Brian E. Lebowitz,1962 **African Women in Towns** Kenneth Little,1974-02-28 This 1973 book analyses the changing position of women in an urban context in sub Saharan Africa In spite of the fact that women at the time of publication were often important leaders of opinion and in these countries the proportion of women in professional work was at least as large as in Britain few researchers and even fewer television and newspaper reporters paid them sufficient attention As the new role of women in Africa was peculiarly a phenomenon of the city Professor Little s book uses the concept of urbanization in order to analyse the radical changes taking place He shows how certain women s movements were growing out of the African woman s desire for a new relationship with the man This leads him to consider the part played by women in the political arena and women s position not only in monogamous marriage but also in extra marital and sexual relationships
