Wild Fathers Erna Walraven,2021-09-06 Wild animal fathers are often seen merely as sperm donors with little contribution or influence on family affairs This is indeed the case in plenty of species but many other wild animal dads have evolved to be significant and in some instances essential contributors to offspring survival This book takes a close look at the role of animal dads in nature and what that may say about fatherhood in humans giving insights into truly fascinating paternal behaviour in wild animals ranging from seahorses to monkeys and ostriches to penguins Fatherhood is an oft neglected subject compared to motherhood yet many animal societies have evolved a major role for dads beyond the donation of sperm There are myriad ways animals can become dads involving different courtships styles to attract a female and mating systems from polygamy to monogamy and polyandry Natural selection and mate choice also influence the potential of becoming a dad When fatherhood is achieved what is the role of pair bonding fidelity and male role models These topics are explored with a wink to our own rituals and societal norms

Where the Wild Dads Went Katie Blackburn,2017-05-02 The night Dad had a few cheeky ones after work forgot the milk and tripped over the rubbish Mum called him A Wild Thing and left him to it for the rest of the evening In this hilarious touching homage to Maurice Sendak s *Where the Wild Things Are* a tired and emotional dad finds himself drifting off to the place where the Wild Dads went Now party like real men he said And there was never a manliness like it In a riot of headbanging air guitar and table football he finds himself at the centre of a great escape but pretty soon he begins to miss the place he left behind Lovingly illustrated by the award winning Sholto Walker this little book is the perfect gift for new dads or any parent who s ever wanted to run away from it all

Meaningful Days Ryan J Weber,2016-02-12 Meaningless Meaningless says the Teacher Utterly meaningless Everything is meaningless

Ecclesiastes 1 2 We do not need a rebuttal to the Teacher s comment about everyday life life under the sun but we do need the proper perspective to understand his plea Everything we seek and achieve and possess is indeed meaningless without a heart and mind set on Jesus Christ Meaningful Days is a source for developing that intricate yet simple heart and mind set It offers encouragement to stop and consider God s wonders and Word in all aspects of life to have a wholly Christian worldview For when the Bible is our lens for viewing life s norms the meaningless ness of them fully transforms we see our ordinary everyday life under the sun for what it truly is the prelude in our extraordinary exultant eternal life in the Son Each script in this Meaningful series begins with a historic event or holiday but moves thoughts beyond the common trivial and blas The goal is to both entertain and challenge a reader believer of any stripe and those who sow effort will reap fruits that are ripe If you don t accept this challenge so be it it s your life to live but the rewards of discipleship far outweigh the meaningless alternative Who is wise He will realize these things Who is discerning He will understand them The ways of the LORD are right the righteous walk in them but the rebellious stumble in them Hosea 14 9
