

The background of the cover is a rustic kitchen scene. A wooden wall is covered with various items: a pair of pliers at the top, several copper pots hanging on the left, a head of cabbage and a bunch of dill on a shelf in the middle, and a whole rabbit mounted on a wooden post on the right. In the foreground, a copper pot sits on a small stove, with a large bunch of fresh green herbs to its left.

little to no fat so many of these recipes use bacon to add fat and flavor Adding some fat also helps keep the wild game meat from drying out And besides who doesn't like bacon <https://shop.northernwilds.com/collections/books/products/red-white-and-everything-else-wild-game-cooking-at-its-best>
