

WE should not mind
So small a flower,
Except it quiet bring
Our little garden that we lost
Back to the lawn again.
So spicy
Her Carnations red,
So drunken
Reel her Bees,
So silver steal
A hundred Flutes
From out a hundred trees,
That whoso sees this little flower
By faith may clear behold
The Bobolinks around the throne
And Dandelions gold.

Wildflower Debasree Ghosh,2013-08-15 Like the Wild Flower that grows in the wild in the valley and in the meadow and atop a hill or floats on the river poetry as well as the stories grew from within me naturally they are not implants from without The urge to write was natural arising out of my

experiences in life and how they got entwined with my emotions my trepidations like the first time when I as a child hesitantly neared the water front and dipped my foot into the cold icy water how these struck a chord within me and urged me to express my feelings Slowly like the way a flower matures the onslaught of varied experience moulded my thoughts and inspired my poetry It continued to articulate my joy of unfurling the curtains of perception and sharing the joy of living and sometimes the pain that came with it Life has so much to offer and often so much to take away from us all Our convictions our doubts our joy and our sorrow all of them blend together in our quest for that ever eluding meaning such feelings hold for us and what could be more beautiful and more lyrical than to express our innermost thoughts through poetry Like they say poetry is magical

National Union Catalog, 1978 Includes entries for maps and atlases **A Garland of Flower-poems**, 1906 **The Intelligible Ode** Graham Davidson, 2023-03-30 From its first publication what is now known as the Immortality Ode has been praised for the magnificence of its verse and disparaged for its paucity of meaning the immortality of the subtitle unsubstantiated and the recollections insubstantial Yet Wordsworth's idea of immortality has clear precedents in the seventeenth century and recollections of childhood are Traherne's starting point for the recovery of a lost vision comparable to Wordsworth's Via the power of the imagination or reason they believed they could experience a renewed vision that both termed variously Paradise or infinity or immortality Graham Davidson traces the origins of Wordsworth's poetic impetus to his resistance to the Cartesian division between mind and nature first adumbrated by the Cambridge Platonists If reunited Paradise was regained but this personal trajectory was tempered by a deep sympathy for the woes of mortal life Davidson explores the consequent dialogue through some of Wordsworth's best known poems at the heart of which is the Ode In the last section he demonstrates how Wordsworth's publishing history led the Victorians and modernists to misinterpret his work if one considers Eliot's Four Quartets as odes facing several of the same problems as did Wordsworth there is some irony in Eliot's dismissal of the Immortality Ode as verbiage [Poems of Queensland](#) Constance Gittins, 1917 **Dictionary Catalog of the Harris Collection of American Poetry and Plays, Brown University Library, Providence, Rhode Island** Brown University. Library, 1972 **Small Press Record of Books in Print** Len Fulton, 1993 **From the Hills, 1972** Barbara Yeager, William Plumley, 1972
