Will Genocide Ever End:

Will Genocide Ever End? Carol Rittner, John K. Roth, James M. Smith, 2002-09-15 Rittner Holocaust and genocide studies Richard Stockton College of New Jersey Roth philosophy Claremont McKenna College and Smith Aegis Trust a UK based NGO devoted to genocide prevention present an overview of the field of genocide studies Twenty nine short essays look at problems of definition political and psychological facets of genocide legal institutions that can prevent genocide and a large number of other facets of this dark side of human history *Ethics During and After the Holocaust* J. Roth, 2005-10-28 Questions shape the Holocaust's legacy What happened to ethics during the Holocaust What should ethics be and what can it do after the Holocaust loom large among them Absent the overriding or moral sensibilities if not the collapse or collaboration of ethical traditions the Holocaust could not have happened Its devastation may have deepened conviction that there is a crucial difference between right and wrong its destruction may have renewed awareness about the importance of ethical standards and conduct But Birkenau the main killing center at Auschwitz also continues to cast a disturbing shadow over basic beliefs concerning right and wrong human rights and the hope that human beings will learn from the past This book explores those realities and the issues they contain It does so not to discourage but to encourage not to deepen darkness and despair but to face those realities honestly and in a way that can make post Holocaust ethics more credible and realistic The book's thesis is that nothing human natural or divine guarantees respect for the ethical values and commitments that are most needed in contemporary human existence but nothing is more important than our commitment to defend them for they remain as fundamental as they are fragile as precious as they are endangered *African American History Reconsidered* Pero Gaglo Dagbovie, 2010 This volume establishes new perspectives on African American history The author discusses a wide range of issues and themes for understanding and analyzing African American history the 20th century African American historical enterprise and the teaching of African American history for the 21st century **Jews and Human Rights** Michael Galchinsky, 2008 The history of human rights is intricately intertwined with the history of Jews Drawing inspiration from their tradition and history Jews have played a role in the human rights drama as victims advocates violators and judges Whether working to free persecuted Jews prevent and intervene in genocides defend Israel in human rights forums or strengthen Israel's democracy Jews have stood for_ and stood up for_ human rights In *Jews and Human Rights Dancing at Three Weddings* Michael Galchinsky states that Jews around the world have tried simultaneously to dance at three weddings celebrating their commitments to international human rights Jewish nationalism and domestic civil rights After World War II all three of these commitments seemed to be aligned but now many Jews perceive them as distinct or even opposed Michael Galchinsky investigates the contributions of Jewish non governmental organizations NGOs in the formation of international human rights analyzing how they responded to the emerging tensions among their political commitments He explores the cooperation and conflict among elite and grassroots organizations the relationships among Jewish governmental

officials and Jewish human rights activists and examines the goals strategies and scope of Jewish human rights activism Making extensive use of previously unknown archival documents and interviews with key activists Galchinsky recounts how Jews initial optimism about human rights turned to pessimism and ambivalence and argues that a reverse process may still be possible Jews and Human Rights Dancing at Three Weddings is intended for scholars students and general readers of modern Jewish history Israeli international transnational studies human rights activists diplomats and international lawyers history and politics international law UN history cultural sociology and genocide studies rging tensions among their political commitments He explores the cooperation and conflict among elite and grassroots organizations the relationships among Jewish governmental officials and Jewish human rights activists and examines the goals strategies and scope of Jewish human rights activism Making extensive use of previously unknown archival documents and interviews with key activists Galchinsky recounts how Jews initial optimism about human rights turned to pessimism and ambivalence and argues that a reverse process may still be possible Jews and Human Rights Dancing at Three Weddings is intended for scholars students and general readers of modern Jewish history Israeli international transnational studies human rights activists diplomats and international lawyers history and politics international law UN history cultural sociology and genocide studies rging tensions among their political commitments He explores the cooperation and conflict among elite and grassroots organizations the relationships among Jewish governmental officials and Jewish human rights activists and examines the goals strategies and scope of Jewish human rights activism Making extensive use of previously unknown archival documents and interviews with key activists Galchinsky recounts how Jews initial optimism about human rights turned to pessimism and ambivalence and argues that a reverse process may still be possible Jews and Human Rights Dancing at Three Weddings is intended for scholars students and general readers of modern Jewish history Israeli international transnational studies human rights activists diplomats and international lawyers history and politics international law UN history cultural sociology and genocide studies the relationships among Jewish governmental officials and Jewish human rights activists and examines the goals strategies and scope of Jewish human rights activism Making extensive use of previously unknown archival documents and interviews with key activists Galchinsky recounts how Jews

International Criminal Law in Context Philipp Kastner, 2017-10-20 International Criminal Law in Context provides a critical and contextual introduction to the fundamentals of international criminal law It goes beyond a doctrinal analysis focused on the practice of international tribunals to draw on a variety of perspectives capturing the complex processes of internationalisation that criminal law has experienced over the past few decades The book considers international criminal law in context and seeks to account for the political and cultural factors that have influenced and that continue to influence this still emerging body of law Considering the substance procedures objectives justifications and impacts of international criminal law it addresses such topics as the history of international criminal law the subjects of international criminal law transitional justice and international criminal justice genocide crimes against humanity war crimes and the crime of aggression sexual and gender based crimes international and hybrid criminal tribunals sentencing under international criminal law and the role of victims in international criminal procedure The book will appeal to those who want to study international criminal law in a critical and contextualised way Presenting original research it will also be of interest to scholars and practitioners already familiar with the main legal and policy issues relating to this body of law

Public Health and Human Rights Chris Beyrer, H. F. Pizer, 2007-09-28 Provides critical evidenced based assessments and tools with which to investigate the role of rights abrogation in the health of populations

Encyclopedia of Genocide and Crimes Against Humanity: I-S Dinah Shelton, 2005 Presents an alphabetically arranged encyclopedia with over three hundred fifty entries depicting genocide and war crimes from ancient history through the twenty first century and includes information on the various individuals and groups that have been targeted courts and tribunals and various sorts of reparations

The Genocidal Mind Dennis B. Klein, 2005-03-05 If we wish to recognize the genocidal mentality the authors maintain we must reckon not only with the increased callousness of the killers but also with their misguided conviction that they were engaged in something constructive to humanity

African Sociological Review, 2005 *We Charge Genocide* Civil Rights Congress (U.S.), 1952

Choice, 2003 *In the Shadow of Birkenau* John K. Roth, 2005 Elie Wiesel said that all ethical values must be revised in the shadow of Birkenau According to Primo Levi the Holocaust leaves ethics grey zoned i e makes it dysfunctional losing its appeal For the French philosopher Sarah Kofman the Holocaust put into question the essence of human community which after all can unite victims and perpetrators and demands a new humanism Notes Michael Berenbaum s theory that the Holocaust has become a negative absolute since everyone agrees that it was wrong However the Holocaust signifies an immense human failure It did ethics harm by showing how ethical teachings could be overridden rendered dysfunctional or

even subverted to serve the interests of genocide **Disputed Issues** Stephen T. Davis,2009 Intended as a useful instructive resource for believers and unbelievers alike Disputed Issues is essential to understanding what a thoughtful orthodox Christian believes and why **Prosecuting War Crimes and Genocide** Howard Ball,1999 Combining history politics and critical analysis he revisits the killing fields of Cambodia documents the three month Hutu machete genocide of about 800 000 Tutsi villagers in Rwanda and casts recent headlines from Kosovo in the light of these other conflicts BOOK JACKET **Rethinking Genocide Theory** Miles L. Hochstein,1994 *Who's who in the West* ,2004 **Congressional Record** United States. Congress,2005 The End of the Holocaust Jon Bridgman,1990 **Genocides by the Oppressed** Nicholas A.
