The World Tree:

Chronicles of the World Tree Patricia Anne Dye,2012-09-30 At the time of the Great Turning on planet earth several angelic powers are called in to assist the vast changes needed if the earth is to survive Each of these powers brings to the situation a special gift to lift earth s vibration to a safe level After a touch and go struggle earth finally wins through to a Better Place

The ^AOrigins of the World's Mythologies E.J. Michael Witzel,2012-12-13 Michael Witzel persuasively demonstrates the prehistoric origins of most of the mythologies of Eurasia and the Americas Laurasia [The Mythic Forest, the Green Man and the Spirit of Nature](#)

Gary R. Varner,2006 Mankind has given a recognizable face to the awesome and impalpable forces of nature in the image of the Green Man and the nature spirits that this book explores The ways in which different societies and different craftsmen have depicted these spirits display the wide creative range of the human imagination but the persistence of the theme suggests that in all their many facets these spirits represent a deep primordial sense that humans have shared since civilization began For the very origin and message of these images have remained the same even if somewhat altered over time Traditional customs from around the world from the rites that celebrate spring and egg on the forces of fertility to folk health remedies and the use of talismans to ward off illness and other evils show some surprising similarities and hint at the shared origins of human culture Even though the original significance of many customs has been lost or diluted they still hold an appeal and many towns even today are re introducing seasonal fairs to recreate the link between man and nature Varner presents examples ancient and new from Europe and Asia East Coast and West and identifies in particular the different guises of the Green Man who has figured in architecture since before the advent of Christianity and still makes his appearance today peering out from behind his leaves on California banks and New York brownstone houses

The Vikings Reimagined Tom Birkett,Roderick Dale,2020-01-20 The Vikings Reimagined explores the changing perception of Norse and Viking cultures across different cultural forms and the complex legacy of the Vikings in the present day Bringing together experts in literature history and heritage engagement this highly interdisciplinary collection aims to reconsider the impact of the discipline of Old Norse Viking Studies outside the academy and to broaden our understanding of the ways in which the material and textual remains of the Viking Age are given new meanings in the present The diverse collection draws attention to the many roles that the Vikings play across contemporary culture from the importance of Viking tourism to the role of Norse sub cultures in the formation of local and international identities Together these collected essays challenge the academy to rethink its engagement with popular reiterations of the Vikings and to reassess the position afforded to reception within the discipline

The Everything Guide to 2012 Mark Heley,2009-10-18 What s going to happen on December 21 2012 The winter solstice in 2012 is the end of the current Mayan calendar cycle There are lots of theories about what will happen on this date Will all life on Earth end Will humans reach a higher spiritual plane Will visitors from another planet arrive Noted Mayan expert Mark Heley leads you through all the theories and debates

surrounding this mysterious event He takes a reasoned approach to the subject relying on astronomy and climate changes rather than myths and stories This book features fascinating information including The Mayan cyclical view of time Modern interpretations of prophecies and predictions of rapid change Galactic alignment and Mayan theories on the origin of the universe Earth changes the fall of civilizations and apocalyptic theories You will learn about the possible cultural and social impacts of the predicted events The author also shares his ideas on what life might be like around and after 12 21 2012 This guide also includes an easy to use Mayan calendar date conversion chart With this chart you can use the calendar as a personal predictive and astrological tool as you prepare for the quickly approaching date

Hedge-Rider Eric De Vries,2008-06 Hedgerider Witches and the Underworld is a re interpretation of Hedge Witchery Drawing from an extensive historical folkloric and mythological body it re attributes and re defines Witchery as a Heathen Cult centred around the journey to the Underworld and contact with the Unseen With the insights into Cosmology Philosophy and Practice this book provides a working body of Heathen Witch lore designed to transform the essence of humanity in something greater through contact with our Fetch and the Underworld itself
