The Dark Deep Down:

The Dark, Deep Down Maynard Hartman,2003-09 The Dark Deep Down is derived from the random thoughts and ideas exposed in the daylight but fostered in the darker sublime realms of the mind Don t be surprised if you go looking for sunshine within these pages and discover that none can be found Or if the pickets on the white fence are just a little too sharp This collection uses the backdoor of the mind to explore some of the less traveled paths to fear sadness and myth

Deep Down Robert Michael Ballantyne,1880 **A Knight of the Cumberland** Jr. John Fox,2019-12-02 In A Knight of the Cumberland John Fox Jr weaves an intricate narrative set against the backdrop of the rugged Appalachian landscape during the tumultuous period of the American Civil War The novel employs a rich descriptive literary style that captures both the beauty and brutality of the region while the character driven plot explores themes of honor loyalty and the moral complexities faced by individuals on both sides of the conflict Fox s keen observational skills render the setting as much a character as the people who inhabit it and his use of vernacular speech adds authenticity to the dialogue and enhances the immersive reading experience John Fox Jr a prominent American author and journalist was deeply influenced by his Southern heritage and the rich folklore of Kentucky s mountains Born in 1862 his firsthand experiences and deep rooted connections to the Appalachian culture shaped his literary voice Fox s passion for storytelling and his commitment to depicting the struggles and triumphs of his people are clearly reflected in A Knight of the Cumberland making it a pivotal work in early 20th century American literature that highlights regional issues amid national strife Readers seeking a profound exploration of human character set against the backdrop of historical conflict will find A Knight of the Cumberland a compelling read Fox s masterful blending of adventure romance and social commentary invites reflection on the enduring themes of courage and sacrifice making it not only a tale of heroism but also a poignant examination of the human spirit in the face of adversity

The dark hand writes L.J Brÿwer, *A Concordance to the Poems of Robert Browning* , The six standards: their discipline and instruction Charles Anson Farnell,1879 *St. Nicholas* Mary Mapes Dodge,1926 **Martin Eden and the Education of Henry Adams** James Burrill Angell,2006-04 This volume argues that Jack London s Martin Eden and Henry Adams The Education of Henry Adams are two of the first works in American literature to embody the motif of existentialism The development of the existential dilemma in each work will be supported through references to earlier European existentialist writers with Nietzsche as a focal point The 19th century fin de si cle was a time of tremendous change both materially and philosophically The dawn of the last century was a time of great wealth and imperialistic expansion for Western civilization but also a time in which the seeds were sown for later military conflict the enormity of which the world had never witnessed before From the vantage point of the post World War years the materialism of the fin de si cle was a decorative fa ade that concealed from view the underlying reality of the human abyss The outbreak of the First World War changed all of that and the two works examined here anticipated that change Henry James described the underlying reality

of the fin de siècle when he remarked To have to take it all now for what the treacherous years were all the while making for and meaning is too tragic for any words Henry Adams and Jack London mirror this sentiment in their respective works by depicting the philosophical turbulence of the 19th century fin de siècle
