The Devils Harvest:

The Devil's Harvest Jessica Garrison,2020-08-04 This suspenseful true story of a drug cartel hitman who got away with murder after murder in California's Central Valley over three decades reveals how the criminal justice system fails our most vulnerable immigrant communities On the surface fifty eight year old Jose Martinez didn't seem evil or even that remarkable just a regular neighbor good with cars and devoted to his family But in between taking his children to Disneyland and visiting his mom Martinez was also one of the most skilled professional killers police had ever seen He tracked one victim to one of the wealthiest corners of America a horse ranch in Santa Barbara and shot him dead in the morning sunlight setting off a decades long manhunt He shot another man a farmworker right in front of his young wife as they drove to work in the fields The widow would wait decades for justice Those were murders for hire Others he killed for vengeance How did Martinez manage to evade law enforcement for so long with little more than a slap on the wrist Because he understood a dark truth about the criminal justice system if you kill the right people people who are poor who aren't white and who don't have anyone to speak up for them you can get away with it Melding the pacing and suspense of a true crime thriller with the rigor of top notch investigative journalism *The Devil's Harvest* follows award winning reporter Jessica Garrison's relentless search for the truth as she traces the life of this assassin the cops who were always a few steps behind him and the families of his many victims Drawing upon decades of case files interrogation transcripts on the ground reporting and Martinez's chilling handwritten journals *The Devil's Harvest* uses a gripping and often shocking narrative to dig into one of the most important moral questions haunting our politically divided nation today Why do some deaths and some lives matter more than others Meticulously researched and tightly woven *The Devil's Harvest* is an important story because it tells us that if this can happen in one place then it can happen in any place And that's damn scary Michael Connelly New York Times bestselling author of *The Closers* *The Lincoln Lawyer* and *The Night Fire*

Witchwood Forest Devil James,2021-03-15 Leave all the mundane and repetitions of the daily grind behind and all the drama that comes with it and join Devil James into the slow descending trek of the doom and gloom of the dreaded Witchwood Forest It grows like sinister haunted old rusty railroad spikes shooting out of the back rural Illinois country roads spreading over endless miles of sticks that clutter the hills The same beer cans littered old haunting hills that hold Devils Creek in its cold hypnotizing hands Lonely places of solitude that illuminate the spirit world are found out here in the mazes of the back country roads of Clinton

and Madison County Come venture out into these twisted old nightmares that cling onto your psyche like the stained sounds of the cicadas buzzing haunting songs over the caws of blackbirds and ravens Join the Devil James cult and walk among us through the festering clouds of gnats and mosquitoes with the buzzing croaking sounds of bullfrogs to a place where the stillness beckons you to test your courage Leave your stress and bullshit all behind and dare to step into the beyond into an eerie solitude of the spirit world where all these sounds vanish into a still silence that holds only the whispering voices of those who reside within Welcome to a head trip that will leave your poor tattered battered mind and broken heart guessing every misplaced step along the stumbling path The clumsy crooked left hand path of Witchwood Forest will latch on to your every thought and pull it down into a dark descent of mystery a mystery that will not only set your mind free to a new humility and dignity it so craves and endlessly searches for but a mystery within echoing mysteries that will also unlock the chains of your heart and hand you back the moral compass we all hold so dear Welcome my friends into the descending darkness of fallen angels who dream of becoming archangels but are too lost to find their way Welcome to Devils Creek welcome to the Witchwood Forest We ve been waiting for you so long we all have missed you so much
