Hunting Evil Carlton Smith,2011-04-01 What did a high priced hooker and a low class sex offender have in common It was according to police their lust for stalking raping and terrorizing young women and girls in one case as young as thirteen years old Michelle Michaud and her husky voiced boyfriend James A Froggy Daveggio used to hang around the local high school in search of their prey and are suspected of brutally raping numerous women in the gutted van that was rigged to strap down their victims But they may have gone farther than that When the body of 22 year old Vanessa Lei Sampson was found by the side of a California highway police zeroed in on Michaud and Daveggio who may be responsible for the young woman's murder as well as numerous rapes In a case as strange and gruesome as fiction one of the few in which a woman has taken part in sexual assault author Carlton Smith explores the twisted motives and shocking exploits of this dark and deadly duo

*Texas Devils* Michael L. Collins,2012-11-09 The Texas Rangers have been the source of tall tales and the stuff of legend as well as a growing darker reputation But the story of the Rangers along the Mexican border between Texas statehood and the onset of the Civil War has been largely overlooked until now This engaging history pulls readers back to a chaotic time along the lower Rio Grande in the mid nineteenth century Texas Devils challenges the time honored image of good guys in white hats to reveal the more complicated and sobering reality behind the Ranger Myth Michael L Collins demonstrates that rather than bringing peace to the region the Texas Rangers contributed to the violence and were often brutal in their injustices against Spanish speaking inhabitants who dubbed them los diablos Tejanos the Texas devils Collins goes beyond other more laudatory Ranger histories to focus on the origins of the legend casting Ranger immortals such as John Coffee Jack Hays Ben McCulloch and John S Rip Ford in a new and not always flattering light In revealing a barbaric code of conduct on the Rio Grande frontier Collins shows that much of the Ranger Myth doesn't hold up to close historical scrutiny Texas Devils offers exciting true stories of the Rangers for anyone captivated by their legend even as it provides a corrective to that legend
