Clare Elizabeth Cleghorn Gaskell,2019-11-22 In The Poor Clare Elizabeth Cleghorn Gaskell explores the life of a young woman whose relationship with her family and society is fraught with challenges Set against the backdrop of the Victorian

era Gaskell's narrative interweaves themes of class disparity, redemption, and the struggle for personal identity. Her rich, character-driven literary style encapsulates the emotional turmoil and societal expectations faced by women, while also shedding light on the class struggles of the time. Gaskell's deft use of symbolism, particularly through the titular character's connection to the spiritual and the material world, underscores the complexities of human existence and the quest for belonging. Gaskell, a prominent Victorian novelist and social reformer, was deeply influenced by her experiences in a rapidly industrializing society. Her background as the daughter of a Unitarian minister and her interactions with diverse social classes informed her empathy towards the underprivileged. *The Poor Clare* reflects her commitment to social commentary, showcasing her ability to blend social critique with profound storytelling. Readers seeking a compelling exploration of societal obligations and personal freedom will find *The Poor Clare* an engrossing and insightful work. Gaskell's nuanced characters and evocative prose invite reflection on themes still relevant today, making this novella a significant contribution to the literary canon.

The Poor Clare Elizabeth Gaskell, A Gothic Ghost Story

The Poor Clare is a short story by English Victorian writer Elizabeth Gaskell. First serialised in three installments in 1856 in Charles Dickens' popular magazine *Household Words*. *The Poor Clare* is a gothic ghost story about a young woman unwittingly cursed by her own grandmother. *The Poor Clare* is narrated by an unnamed young lawyer from London, reflecting on the extraordinary incidents which he experienced in his youth. The story proper begins several decades before Squire Starkey, a recusant Jacobite, returns to Starkey Manor with his Irish wife and their son Patrick. Accompanying them is their Irish Catholic servant, Madam Starkey's former nurse, Bridget FitzGerald, and her daughter Mary, who take up a small cottage in the grounds of the manor. Bridget comes to exercise great control over the household. Some years later, due in part to an increasingly fractious relationship with her mother, Mary FitzGerald leaves Starkey Manor to take up a position on the Continent. Racked with grief at her daughter's departure, Bridget keeps to her cottage until Madam Starkey brings her a young spaniel, Mignon, who becomes her constant companion. She receives occasional letters from Mary, the last informing her that she was going to marry a gentleman. Upon the deaths of Squire and Madam Starkey, Bridget is left alone at the cottage. After a long period without word from Mary, Bridget leaves the cottage for the Continent in search of her daughter, accompanied by Mignon. Years of unsuccessful searching later, she returns suddenly. Not long after her return, a hunting party goes shooting on the manor. One of the party, Mr Gisborne, is in a foul mood and shoots Mignon for fun when it crosses his path. Distraught that the only remaining creature she loved is now dead, Bridget calls on the saints to curse Mignon's killer, vowing that the creature he loves best will become a terror loathed by all.
