[The Present Crisis \(Classic Reprint\)](#) Edwin D. Mead, 2017-11-28 Excerpt from *The Present Crisis* We are of those who believe that this nation is essentially a nation of good people Like every other nation it is very full of sinners and many of the sinners are in high places where they can blow loud blasts and pull strong ropes and often exercise the determining influence but nothing shall shake us from the conviction that the great majority of men in this republic desire to know the truth and to do the right and that if they do not do the right thing it is because they do not know the truth or see clearly what is the most important question About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
