and the emergence of the literary thriller Most of all Anderson demands that the best of these novelists be given their due not as genre writers but as some of the most talented men and women at work in American fiction Don't trust the literary elites to tell you what to read he warns make up your own minds The Triumph of the Thriller will convince many readers that we've entered an important new era in popular fiction This book can be your guide to it **The Book Publishing Annual**, 1985 **The publishers weekly**, 1985 **Insect Ecology** Peter W.
