The Wine Cellar:

The Wine Cellar Edward Bonetti, 1977 *Stalin's Wine Cellar* John Baker, Nick Place, 2020-08-18 In the late 1990s John Baker was known as a purveyor of quality rare and old wines Always entrepreneurial and up for adventure he was the perfect person for an occasional business partner to approach with a mysterious wine list that was foreign to anything John or his second in command Kevin Hopko had ever come across The list was discovered to be a comprehensive catalogue of the wine collection of Nicholas II the last Tsar of Russia The wine had become the property of the state after the Russian Revolution of 1918 during which Nicholas and his entire family were executed Now owned by Stalin the wine was discreetly removed to a remote Georgian winery when Stalin was concerned the advancing Nazi army might overrun Russia and inevitably loot artefacts and treasures Half a century later the wine was rumoured to be hidden underground and off any known map John and Kevin embarked on an audacious colourful and potentially dangerous journey to Georgia to discover if the wines actually existed if the bottles were authentic and whether the entire collection could be bought and transported to a major London auction house for sale Stalin's Wine Cellar is a wild sometimes rough ride in the glamorous world of high end wine From Double Bay Sydney to Tbilisi Georgia via the streets of Paris the vineyards of Bordeaux and iconic Chateau d'Yquem A multimillion dollar cellar and a breathtaking collection of wine and one very expensive broken bottle is the elusive treasure The cast of characters include Stalin Hitler Tsar Nicholas II and a motley bunch of Georgian businessmen cowboys toting handguns in the early days of Russian business development that led to the world of Putin and oligarchs *Cellaring Wine* Jeff Cox, 2012-08-02 Enjoy the rich and complex flavors of wine that's been matured to its peak In this comprehensive guide Jeff Cox provides everything you need to know to build and maintain your own wine cellar Whether you're thinking of storing a few extra bottles in a spare closet or are looking to properly age a garage full of wine you'll find straightforward advice and helpful hints on successful cellaring techniques Build and delight in your collection of wine while learning how to bring out the full potential of every bottle **Bacchus and Me** Jay McInerney, 2002-03-12 Jay McInerney on wine Yes Jay McInerney on wine The best selling novelist has turned his command of language and flair for metaphor on the world of wine providing this sublime collection of untraditional musings on wine and wine culture that is as fit for someone looking for a nice Chardonnay as it is for the oenophile On champagne Is Dom Perignon worth four bottles of Moët Chandon If you are a connoisseur a lover a snob or the owner of a large oceangoing craft the answer is probably yes On the difficulty of picking a wine for a vegetarian meal Like boys and girls locked away in same sex prep schools most wines yearn for a bit of flesh On telling the difference between Burgundy and Bordeaux If it's red French costs too much and tastes like the water that's left in the vase after the flowers have died it's probably Burgundy On the fungus responsible for the heavenly flavor of the dessert wine called Sauternes Not since Baudelaire smoked opium has corruption resulted in such beauty Includes new material plus recommendations on the world's most romantic wines and the best wines to pair with a meal [How and why](#)
