The Winter Tree:

The Winter Tree Georgina Lewis,1983 *The Winter Tree* Stuart James,2019-11-19 The Winter Tree is the touching story of a young girl called Lorrie and a little tree which has lost all of its leaves The tree looks cold and sad and with winter just around the corner Lorrie wonders how she can make it happy again Then she has a very bright idea And so follows a delightful enchanting journey through the seasons This is a short story for children of all ages it is also perfect for parents or grandparents to read to younger ones at bedtime [The Winter Tree](#) Harriet Gray Blackwell,1976 [Winter Trees](#) Carole Gerber,2008-07-01 A boy and his dog walk through a wintry forest and identify seven common trees **The Winter Tree - the 'Pictures by You' Edition** Stuart James,2020-08-28 A story for you to illustrate This is the touching story of a young girl called Lorrie and a little tree which has lost all of its leaves The tree looks cold and sad and with winter just around the corner Lorrie wonders how she can make it happy again Then she has a very bright idea And so follows a delightful enchanting journey through the seasons This Pictures by You edition of *The Winter Tree* has been specially designed for young creative minds All that is missing are the pictures And that s where you come in Look out for the empty frames inside the book and use paints pencil crayons collage or whatever you like to create your own picture book What will the characters look like How will you bring the story to life You choose Use your imagination to make a book unique to you So get painting drawing or crafting and why not add a photo to a review to show your brilliant work and tell how you got on There are 10 empty frames inside for your own pictures Extract from *The Winter Tree* Tucked up in bed Lorrie held her little toy bunny close and she fell asleep But it wasn t long before she was disturbed by a noise The curtains flapped and the windows rocked on their hinges as the wind sprayed rain and blew snow into her bedroom She pulled on her dressing gown grabbed bunny ran down the stairs and ran outside into the darkness The wind tried to turn her around It seemed to be telling her to go back to the house She was sure she heard it hiss This is no place for a little girl But she fumbled her way through the gate She stumbled over the brook her bare foot slipped on a stone plunging into the icy cold water But still she carried on She ran as fast as she could to the top of the hill where she threw her arms around the tree and tried with all her might to save it from the grip of the wind Bunny too was trying to help He was clinging to a branch his little legs kicking as he was tossed to and fro There was a creak Then a loud crack Hold on bunny Lorrie tumbled forwards The tree had been uprooted In one last show of strength the wind hurled the tree and bunny high into the air Tree and bunny cartwheeled like acrobats higher and higher and higher into the sky until they were only specks against the shape of the moon Bunny Tree Lorrie cried Pictures by You books aim to make reading even more fun I hope you enjoy this one Please look out for more in the near future This title is also available in other formats [The Winter Tree](#) Laurence Wyatt,1967 *Winter Tree Finder* May Watts,1970-01-01 Enjoy getting to know your trees even in winter with this key to identifying deciduous trees trees that lose their leaves in the winter by looking at twigs buds fruits and other features Explains structure of twigs and shows habitat and range of native
