**Incarnation** Niels Henrik Gregersen, 2015-07-01 This volume takes the reader on a journey from New Testament and early church views of incarnation to contemporary understandings of Christology A prominent group of scholars explores and debates the idea of deep incarnation the view that the divine incarnation in Jesus presupposes a radical embodiment that reaches into the roots of material and biological existence as well as into the darker sides of creation Such a wide scope view of incarnation allows Christology to be meaningful when responding to the challenges of scientific cosmology and global religious pluralism *A Child's Guide to Wisdom* Everton A. Everton, 2022-10-14 Wisdom is one of the greatest qualities that any human being can possess Through this most desirable attribute we are able to live happy healthy and successful lives Generally we do not learn wisdom until we are well along in years Unfortunately for many

of us the delay in attaining wisdom can be costly and can often limit our opportunities to achieve our fullest potential. However, this need not be the case when it comes to your children and grandchildren. If you are willing to take an active role in the transfer of wisdom to them at an early age, they can have access to all the wonderful blessings that result from possessing this highly coveted attribute. *A Child's Guide to Wisdom* was designed to serve as a guide for parents in the transfer of wisdom to their children. The book offers a collection of fifty key principles in the form of easy-to-remember, common-sense based definitions intended to build character in your child by instilling in him or her important qualities that will result in a life of wisdom and success. Even before the child is able to read on his own, exposure to the principles in *A Child's Guide to Wisdom* through oral repetition can provide tremendous benefit in the early shaping and development of the child's character. For the older student, the book offers the parent or guardian a compensation system that may be used to motivate the reader to learn the principles. Mastery of the principles presented in *A Child's Guide to Wisdom* can add great value and effectiveness to the way in which the child approaches problems and addresses challenges throughout his or her life. This simple yet powerful book is a must for every home library and a valuable resource for organized youth training and development programs.

**Our Book Two: For Sharing Unconditional Love & Nurturing True Friendship** Wil Coulson, 2019-08-25

William Bill Coulson experienced the reality of *The Wisdom of Children* in his everyday life as a young child whenever he received unconditional love or forgiveness, especially when he did not deserve it from a childhood friend, a family member, or one of his teachers who continued to offer him wonderful opportunities for fun adventures during his childhood in a small rural farming community in Nova Scotia, Canada. A quote from Bill: "When I became an adult, I began to understand how it is possible to relive the powerful unconditional love of my childhood by embracing the love from everyone, everything around me, as I once did when I was a child when I intuitively understood that the primary purpose of my life is to share unconditional love, nurture true friendship with my friends, family. The wisdom I learned as I reconnected with my childhood ability to love life passionately enabled me to help other adults to kill the pain suffering in their lives that was preventing them from feeling the continuous love, peace, joy, compassion of their childhood during each moment of every day of their future adult lives. This is why I wrote our book called *Practicing The Wisdom of Children* with the help of my son so I could leave a legacy of wisdom for my friends, family, and my future grandchildren so they will become able to protect their childhood ability to love life passionately and not lose it as I did, and then have to find it again. And now this desire to help other human beings has expanded to include you, the reader of our book, who will benefit from practicing this wisdom as you begin sharing the

increasing unconditional love that this wisdom will bring into your future life When we are born each of us is given a compelling desire to seek a unique special purpose for our life that motivates us to start asking questions about the meaning of our lives on Earth whose answers will help us to understand why each of us is given this opportunity to live a potentially wonderful human life as we begin to ask answer these questions Who am I Where did I come from Why am I here on Earth What is my life s purpose Your life s purpose may be different from mine but I know from my personal experience that fully reconnecting to your childhood ability to live your life with wonder excitement intrigue puzzlement and the profound satisfaction of loving everyone everything around you will add powerful childhood passion to your adult life Fortunately The Wisdom of Children helps us to embrace our childhood ability to love life passionately as we share ever increasing unconditional love forgiveness with our friends family and as we fulfill the unique special purpose for each of our lives which makes us worthy of living on Our Precious Mother Earth
