The Witch Rising:

Witch Rising Paige McKenzie, Nancy Ohlin, 2021-09-14 Sorrow Point High's witchiest have returned in this conclusion to the thrilling B Witch duology and this time the danger is even closer to home Two rival covens led by frenemies Greta and Div are investigating a radical anti magic faction the New Order for the murder of a sister witch In fact Div and her coven mate Mira are pretend dating a couple of New Order members to infiltrate it and bring it down for good But when the president of the United States aligns himself with the dangerous group and local police ramp up their search for suspected witches the covens must be more careful than ever Even outside of politics complications abound as Iris and the new witch Torrence fight for Greta's affections and Ridley can't get over her crush on a dead girl and Binx's own crush turns out to be harboring deadly secrets If the covens wish to solve their friend's murder and protect their kind they'll have to rise above their problems big and small But as they grow closer to the truth one thing becomes certain trust no witch *Black Witch*

Rising Celia Roman, 2023-05-28 A few weeks ago my brother and I found our mother the criminal chaos witch locked in a cage under the control of one of the most powerful supernaturals in the Greater Atlanta area The rescue brought me and Nick closer though not without consequence by order of the Council Mom now resides in the official custody of my almost boyfriend the alpha of the Crossville werewolf pack I'm still grappling with Mom's abandonment let alone her unexpected reappearance especially when she may be connected to the ritual zealots a secretive group so ruthlessly dangerous other supernaturals are terrified of discussing them Now a witch has been murdered just miles from the alpha's house and my former partner at the Crossville PD wants to hire me as a consultant on the case There's just one problem another witch is the killer And the best suspect may be someone I love [The Witch Studies Reader](#) Soma Chaudhuri, Jane Ward, 2025-02-21

Stories about witches are by their nature stories about the most basic and profound of human experiences healing sex violence tragedies aging death and encountering the mystery and magic of the unknown It is no surprise then that witches loom large in our cultural imaginations In academia studies of witches rarely emerge from scholars who are themselves witches and/or embedded in communities of witchcraft practitioners The *Witch Studies Reader* brings together a diverse group of scholars practitioners and scholar practitioners who examine witchcraft from a critical decolonial feminist perspective that decenters Europe and departs from exoticizing and pathologizing writing on witchcraft in the global South The authors show how witches are keepers of suppressed knowledges builders of new futures exemplars of praxis and theorists in their own right Throughout they account for the vastly different national political economic and cultural contexts in which the witch is currently being claimed and repudiated Offering a pathbreaking transnational feminist examination of witches and witchcraft that upends white supremacist colonial patriarchal knowledge regimes this volume brings into being the interdisciplinary field of feminist witch studies Contributors Maria Amir Ruth Asiimwe Bernadette Barton Ethel Brooks Shelina Brown Ruth Charnock Soma Chaudhuri Carolyn Chernoff Saira Chhibber Simon Clay Krystal Cleary Adrianna L
