Dennis Moore,2016-08-29 Welcome to the Writer s Workbook which is I have to admit a pretty selfish publication The templates in this book are the ones I use all the time in writing my own stories and tracking my sales I was tired of going through legal pad after legal pad and moleskin after moleskin and realized I could just publish them in book form and have them all in one place And as long as I m doing that for myself I might as well make them available to any other writers who want to use them So if you re looking for an easy way to keep all the details of your characters straight or a handy place to keep track of your publication or writing goals or an easy way to track how many words you write a day in total or by session as well as an easy to use spreadsheet for tracking daily sales and don t want to have to subscribe to some app on a monthly basis to do it The Writer s Workbook may be what you re looking for And hey if there are any templates you d like to see that I haven t thought of drop me a line at www.cdennismoore.com and let me know A quick note on the templates in this book First up are the Character Sketches which I ve been using for over 20 years in helping me to define my characters before I ever start writing Next up are Goals something we all need especially as writers Use these pages to help set project deadlines or to keep track of upcoming projects The Notes pages I ll be using when I plot out the stories I m writing And I ll use the pages that follow those to keep track of how many words I write every day Finally there are 100 pages I ll use to track my sales on a daily basis I hope you get as much use from this book as I will CDM The PLAIN ENGLISH Writer's

Workbook Sandy Tritt, 2017-12-28 The PLAIN ENGLISH Writer's Workbook explains writing concepts in simple terms. It's written for fiction and memoir writers of all levels from beginners to previously published. The workbook is divided into six sections: 1 Getting Ready to Write Advice for Beginners 2 The Basics Understanding Plot Characterization Setting Dialogue and Point of View 3 Advanced Techniques Understanding Pacing Flashbacks Foreshadowing Cutting the Flab and Adding Muscle 4 Self Editing Grammar Punctuation Proofreading and Editing 5 The Next Step Applying for a Copyright Writing a Query Letter Writing a Synopsis Understanding Self Publishing Finding an Agent and Tax Deductions for Writers and 6 Reproducible Worksheets with Detailed Instructions Novel Summary Worksheet Memoir Summary Worksheet Chapter Summary Character Trait Chart Juvenile Trait Chart Personality Components Worksheet Character Growth Chart Character List and Setting List. Additionally, three appendices are included: List of Genres Glossary and Writing Resources. The generous 8.5 x 11 size allows for easy reproduction of the worksheets. This workbook gives you the techniques you need to bring your writing to the next level and it's written in PLAIN ENGLISH. Tips give reminders of important concepts in just a few words. Nine worksheets with detailed instructions help you plot, create memorable characters, and edit your own work like a pro. Throughout the workbook, generous samples are given to show the right and wrong way to perform various techniques. **SAMPLE TIPS** Replace dialogue tags with action or body language. This alone will bring your writing up a level. Any word that doesn't add value to your prose detracts from it. Make a scene feel complete by ending it with the focus on the viewpoint character. If multiple viewpoints are used in a manuscript, the current viewpoint character should be the first character named in each scene. Avoid the temptation to explain. Readers are smart; they will get it. Never name an emotion. Use body language and dialogue, internal or spoken, to show the emotion. **EVERY WRITER NEEDS THIS BOOK** **Writers 750**

Emerald Workbook Heather Schuldt, 2020-12-24 The basic goal in this workbook is for the writer to write at least one new story each month for twelve months. The writer is in charge of writing more or less. The suggested word count for each story is 750-1,000 words, a 3-minute story. However, writers can write a novella or a full-length novel if led to do so. This workbook can be used by individual writers, a writing group, a book club, or writing classes. In twelve chapters, the writer will have an opportunity to explore themes, settings, story conflicts, and complete a story each month. The writer will have an opportunity to develop writing skills and use his or her talent to exercise the craft of writing a good story in twelve chapters that coincide with twelve months. Over the course of one year, the writer will be encouraged to write a new pitch each month and attend a writing conference. At the beginning of the workbook, the writer can take a motivation test to see the level of awareness he or she has for writing stories and the level of awareness for writing for the benefit of others. The purpose of the motivation test is to see progress over one year. By taking the test before and after the workbook is complete, the writer can see real development in commitment to writing stories. This workbook is a place where writers will be motivated by seeing a compilation of stories over the course of one year. **The Write-Brain Workbook** Bonnie Neubauer, 2015-10-06 Banish the
