Wife Tree

Norm Cohen

Wife Tree:

The Wife Tree Dorothy Speak,2011-01-21 Dorothy Speak's long awaited first novel tells the poignant comic and redemptive story of Morgan Hazzard caught late in life between a dying husband and the opinions of her rebellious children. Forty years of marriage to a hard prairie bred man have frozen Morgan into the semblance of a steadfast wife. But when a stroke silences William Hazzard Morgan's feelings and memories begin to thaw. She has always known how to endure unwanted pregnancy, the deaths of two children, the anger of her husband, the harsh summers and winters of her farm, childhood, the indifference of her own mother, decades of lust, lies and betrayals. What she learns in the sudden peace and quiet of her own house and in the somewhat rusty and surprising sound of her own voice is her surprising strength and capacity for joy and change even on the eve of her seventy fifth birthday. More loveable than Margaret Laurence's prickly and obstinate Hagar Shipley Morgan Hazzard is as fierce and indelible a character. And her journey unlike Hagar's takes her toward hope and liberation not compromise and silence. *Hausa Tales and Traditions* Neil Skinner,2013-12-19 First Published in 1969 This is a translation from Hausa of Frank Edgar's three volumes of his African folktale Tatsunijoyi Na Hausa his major work The Hausa whose folklore Edgar recorded so industriously are the largest ethnic group in Northern Nigeria and number many millions. [The Good Wife's Guide \(Le Ménagier de Paris\)](#) ,2012-09-15 In the closing years of the fourteenth century an anonymous French writer compiled a book addressed to a fifteen year old bride narrated in the voice of her husband a wealthy aging Parisian. The book was designed to teach this young wife the moral attributes, duties and conduct befitting a woman of her station in society in the almost certain event of her widowhood and subsequent remarriage. The work also provides a rich assembly of practical materials for the wife's use and for her household including treatises on gardening and shopping tips, on choosing servants, directions on the medical care of horses and the training of hawks, plus menus for elaborate feasts and more than 380 recipes. The Good Wife's Guide is the first complete modern English translation of this important medieval text also known as Le Ménagier de Paris, the Parisian household book, a work long recognized for its unique insights into the domestic life of the bourgeoisie during the later Middle Ages. The Good Wife's Guide expertly rendered into modern English by Gina L. Greco and Christine M. Rose is accompanied by an informative critical introduction setting the work in its proper medieval context as a conduct manual. This edition presents the book in its entirety as it must have existed for its earliest readers. The Guide is now a treasure for the classroom, appealing to anyone studying medieval literature or history or considering the complex lives of medieval women. It illuminates the milieu and composition process of medieval authors and will in turn fascinate cooking or horticulture enthusiasts. The work illustrates how a perhaps fictional Parisian householder of the late fourteenth century might well have trained his wife so that her behavior could reflect honorably on him and enhance his reputation. **The Portuguese Columbus** Maxcarenhas Barreto,Reginald A Brown,1992-04-13 **The Ambassador's Wife's Tale** Julia Miles,2015-06-01 A memoir of life as a British ambassador's

wife amid the upheavals of the late 1960s The year that Julia Miles got married and so became part of the British government's Foreign Office machine was a seminal year in world politics 1968 saw the murders of Robert Kennedy and Martin Luther King Jr the USSR invasion of Czechoslovakia the Baader Meinhof gang introducing modern terrorism to Europe and three hijackings launching a spate of terror in the air Civil unrest by students in Paris and massive general strikes almost brought down the French government and a protest outside the U S Embassy in London against the Vietnam War ended in violence and injury Her book is set against this background of insecurity and upheaval which has endured until the present She describes some previously unknown terrorist incidents in such unlikely places as Luxembourg as well as documenting the breakdown in diplomatic relations and evacuation of Embassy staff from Libya following the shooting of British police officer Yvonne Fletcher What is it like to produce and raise a family against a background of threat in Cyprus or privation in Saudi Arabia How much does the Foreign Office do to protect its staff Julia entertains and informs with a series of vignettes which throw light into previously unseen corners of Embassy life
