Wild Pursuit:

Gateway, 1908 *Kafka's Stereoscopes* Isak Winkel Holm, 2019-09-19 In 1911 Franz Kafka encountered the Kaiser Panorama a stereoscopic peep show offering an illusion of three dimensional depth After the experience he began to emulate the apparatus in his literary sketches developing a style we might call stereoscopic juxtaposing like the optical stereoscope two images of the same object seen from slightly different perspectives Isak Winkel Holm argues that Kafka s stereoscopic style is crucial to an understanding of the relation between literature and politics in Kafka s work At the level of content the stereoscopic style offers a representation of the basic order of a specific community At the level of form the stereoscopic style is structured as the juxtaposition of two dissimilar images of the same community At the level of function finally the style provokes a reconsideration and perhaps even a reconfiguration of the social order itself With insights from literary studies philosophical aesthetics and political theory Kafka s *Stereoscopes* offers a detailed but highly readable argument for the relevance of Kafka s literary works in today s political reality

Pugilistica Henry Downes Miles, 1906 **When the Ordinary Won't Do!** L. a. Kimo Richardson, 2007-03 Did you know that God has designed your life to be great in every arena that He has called you to God desires the extraordinary so much for you that He has laid out the pattern in His word so that you could activate it in your life When the ordinary won t do was written with the intent of showing the reader how to go about activating the extraordinary hand of God in crisis situations by illuminating the law of the extraordinary as found in the book of Numbers Do you yearn to begin experiencing the extraordinary living that you see glimpses of in the Word of God If so you just might want to open the cover of this short book and join me and many others on the journey to the extraordinary L A Kimo Richardson is a minister at the Abundant Life Family Worship Church in New Brunswick New Jersey In addition to being an author he is also the C E O of Aspiring Eloquence a communication coaching company that specializes in helping individuals to achieve eloquence in every expression

The Hidden Pathways of Germanic Mythology Paul Wassmann, 2019-06-24 In the context of the Indo European cultures this book offers an overview of the hidden pathways of Germanic Mythology focusing upon the Germanic Word View the creation of the world the Dawn of Gods and the psychological role of some of the most significant gods and goddesses The center of gravity is given to the relationship between the Germanic mythology Christianity and humanistic education It is revealed that the Germanic universe had a balanced worldview between patriarchal and matricentric gods and that the Norse people developed and cultivated some of today s most highly held values such as democracy and individual and female rights The book points at the considerable consequences of neglecting demonizing repulsing and repressing archetypical representations of the original Germanic culture which was and still is considered barbarous and primitive This creates momentous daggers for the resilience diversity and wellbeing of our societies It is shown that Odin s fundamental act of divination his voluntary hanging on the Word Tree provided humanity with access to the collective unconsciousness and ego autonomization Odin is thus the archetype of the

therapist of the psychodynamic tradition The book ends with a plea that advocates for increased archetypal literacy looked at as roadmap to peace
