Wilderness Experience:

The Modern Day Wilderness Experience Dr. Yolanda Webster,2012-05-29 The Modern Day Wilderness Experience by Dr Yolanda L Webster chronicles the author s painful ordeals of rejection from the system during her career with the Board of Education linking it to biblical accounts of wilderness experiences Anyone who has been the victim of rejection verbal abuse or harassment can identify with her struggles to be accepted as she speaks straight from the heart Her honesty tugs at the reader s emotions She relates how traumatic experiences can be used for good and how a Christian can actually grow through hurtful encounters with others *The Wilderness Experience* Moy Hernandez Jr.,2021-07-14 For sixteen years Moy served as an Officer Pastor with The Salvation Army in the Southern California area After struggles with his wife seemed irreconcilable he moved to Central Florida where he experienced the darkest days of his Wilderness Experience During the past five years God has began to rebuilt his life including the restoration of his wife and children It is from the depth of this experience that this book was born in the hopes of helping others as they journey through their own dark nights of the soul

The Wilderness Experience Olabisi Adamu,2020-05-19 In life there are inevitable alternations in our times and seasons We have the good and bad times the rainy and dry seasons the winter and the summer These cycles are part of life but they are not only limited to our physical experiences In our spiritual experience we will also find such alternating seasons For us Christians the wilderness experience is one of those seasons we wish and pray that they never show up yet they cannot be avoided The bone of contention is not whether a Christian will pass through spiritually challenging times but when The reason many Christian fall flat in trying times is because they do not prepare for the storm that will eventually strike This book does not only help you prepare ahead of time but also for Christians going through difficult times and wondering why God has gone silent on their case it discusses in details all you need to know about the wilderness experience It shows you how to know that you are in such season of your life and most importantly how to emerge from it victoriously In this book Olabisi Adamu did not only debunk many lies and misconceptions of the present day Christianity but has provided biblicalproofs that brought to fore the truth we need to wield and act on if we must win over trials and temptations in difficult moments of life This book is a necessary material for a victorious Christian life General Technical Report INT. ,1987
