Curiosities of Superstition, and Sketches of Some Unrevealed Religions William Henry Davenport Adams, 2019-09-25 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible *Superstition in All Ages (Unabridged Large Print)* Jean Meslier, 2011-03-01 Large Print 17 point font What are these boasted resources of the Christ worshipers Their morality It is the same as in all religions but their cruel dogmas produced and taught persecution and trouble Their miracles But what people has not its own and what wise men do not disdain these fables Their prophecies Have we not shown their falsity Their morals Are they not often infamous The establishment of their religion but did not fanaticism begin and has not intrigue visibly sustained this edifice The doctrine but is it not the height of absurdity From the Preface This work of the honest pastor is the most curious and the most powerful thing of the kind which the last century produced Paine and Voltaire had reserves but Jean Meslier had none He keeps nothing back and yet after all the wonder is not that there should have been one priest who left that testimony at his death but that all priests do not True there is a great deal more to be said about religion which I believe to be an eternal necessity of human nature but no man has uttered the negative side of the matter with so much candor and completeness as Jean Meslier The value of the testimony of a catholic priest who in his last moments recanted the errors of his faith and asked God s pardon for having taught the catholic religion was fully appreciated by Voltaire who highly commended this grand work of Meslier He voluntarily made every effort to increase its circulation and even complained to D Alembert that there were not as many copies in all Paris as he himself had dispersed throughout the mountains of Switzerland **Ancient legends, Mystic Charms and Superstitions of Ireland** Lady Wilde, 2025-08-19 Reproduction of the original The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage CSB Study Bible, Large Print Edition, Mahogany LeatherTouch, Indexed CSB Bibles by Holman, 2018-03 With an easy to read font size the CSB Study Bible Large Print Edition offers the award winning Holman study system including more than 16 000 study notes tools word studies and articles from respected Bible scholars with an easier to read 10 point font size Better understand and apply the life transforming message of God s Word with this study Bible for any reader FEATURES Large print study Bible with 10 point font size 16 124 study notes 368 word studies 94 photographs 61 timelines 55 maps 44 paintings 34 articles 21 illustrations reconstructions 19 charts Book introductions and outlines Concordance Center column cross references Smyth sewn binding Presentation section 2 column text Topical subheadings The CSB Study Bible Large Print Edition features the highly readable highly reliable text of the Christian Standard Bible CSB The CSB stays as literal as possible to the Bible s original meaning without sacrificing clarity making it easier to engage with Scripture s life transforming message and to share it with others **CSB Study Bible, Large Print**
