

**PART 1:**

- Man: College Accommodation Bureau, Darren speaking, how may I help you?
- Woman: Oh, good morning. I am starting at the college in September and I need to find some accommodation.
- Man: Right. Well, there are various options. The first one is to stay in college accommodation.
- Woman: How much would that cost?
- Man: Well, it depends. For a standard room, you'll be looking at 3276 pounds for the year. That's just for a room with wash basin. (Q1) Or 3834 pounds if you want a normal suite. That's with your own small bathroom.
- Woman: I see. That's more than I expected.
- Man: It doesn't include heating. That's quite a saving because energy costs can be high, especially in winter.
- Woman: Hum, does it include meals as well?
- Man: No. All our rooms are self-catering now. There is a shared kitchen one each corridor where you can cook if you want to. Or there are plenty of places to eat out on campus.
- Woman: Ok. And you said that is the price for the whole year?
- Man: Well, you pay annually. But actually it's for 36 weeks. (Q2) It doesn't include holidays. You have to vacate the room then.
- Woman: Oh, hum, I need somewhere to stay in the holidays. I can't afford to go home. The flights are too expensive.
- Man: Well, there is another option. Several families who are the workers at the college or have children study in here offer visiting students a room in their homes.
- Woman: Oh?
- Man: (Q3) We call this arrangement "Home Welcome". And we've still got a few places left at the moment. You pay 150 pounds per week and that includes breakfast, a packed lunch and dinner, as well as heating.
- Woman: Is there a contract? Do you have to stay for the whole year?
- Man: (Q4) No, it's flexible.
- Woman: Hmm, it sounds really good, but I'm not sure. I really want to be a little more independent.
