newspaper account of the invasion of Italian Somaliland upon the northeast coast of Africa it is equally a fact that none of you saw a harrowing incident that occurred in the interior some time previous to this affair That it could possibly have any connection whatsoever with European international intrigue or with the fate of nations seems not even remotely possible for it was only a very little monkey fleeing through the tree tops and screaming in terror It was little Nkima and pursuing him was a large rude monkey a much larger monkey than little Nkima
