

# The Most Spoken Language (Besides English & Spanish)

IN EVERY STATE

The United States is one of the world's most linguistically diverse countries, with Census data indicating at least 350 languages are spoken in homes around the country. While English and Spanish are the two most popular tongues, which is the third most common language in each U.S. state?

With more than 40 million Americans claiming German ancestry, according to the Census Bureau, its language is most common in 13 U.S. states. Despite 3.4 million Chinese speakers in America, its popularity is third-most in six states.

**Methodology:** We analyzed the detailed household languages data collected by the U.S. Census Bureau to find the most spoken language besides English and Spanish in every U.S. state.

# The State Of The Language

**Leonard Michaels**

## **The State Of The Language:**

The State of the Language Philip Howard, 1986      **The State of the Language** Christopher Ricks, Leonard Michaels, 2024-06-21 Sprawling uncoordinated uneven noisy and appealing wrote one reviewer of the first edition of this book published on 1 January 1980 The language is in rude health wrote another Exactly a decade later here is the book anew with the same editors but with fifty fresh contributors writing essays and poems that engage our language today Imaginative attention is bestowed on the changes of recent years changes not only in the language but in how language is understood In the forefront are the relations between British English American English and those other Englishes with which they compete or cooperate The nervous negotiations of gender and feminism The darkness of AIDS The bright flicker of the computer The old smolderings of standard English and correctness The bad language that has lately done so well in our society How all this has been politicized or is it rather that its inevitably political nature has only now been recognized Here these and many other facets of the language catch the various light What has changed is understood in relation to what has not changed and what has been gained in relation to what has been lost There is sweep as well as detail telescope as well as microscope in this contemplation of the world of our language as it enters the world of the 1990s *The State of the Language* has been prepared in cooperation with the English Speaking Union of San Francisco Some titles of essays in the book Whose English by Sidney Greenbaum Look Ma I m Talking by Sandra Gilbert Fighting Talk by Marina Warner No Opera Please We re British by Michael Bawtree Changing What We Sing by Margaret Doody On Not Being Milton Nigger Talk in England Today by David Dabydeen Talking Black by Henry Louis Gates Jr Subway Graffiti by Walter J Ong Doublespeak by William Lutz It s a Myth Innit Politeness and the English Tag Question by John Algeo This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1980      *The State of the Language* Leonard Michaels, 1980-01-01 Considers a wide range of topics related to contemporary language      Language, Ethnicity and the State, Volume 1 C. O'Reilly, 2016-01-18 Developments in the European Union over the last decade have been largely positive from the perspective of stateless and minority ethnic groups and the survival and prosperity of minority languages This selection of sociologically and ethnographically oriented work enables the reader to compare developments in different ethno linguistic revival movements within the European Union The contributions also explore the impact of EU policy and discourse on the individual movements and the orientation of Western Europe as a whole towards linguistic heterogeneity and cultural diversity A companion volume 0 333 92924 1 examines the status of minority languages in post 1989 Eastern Europe      Language, Ethnicity and the State, Volume 2 C. O'Reilly, 2001-09-05 The political and social upheavals following 1989 have had a significant impact on the minority languages of Eastern Europe There have been

attempts at enlightened treatment of minority linguistic groups in some of the new states but in others such groups have been openly oppressed This volume draws on sociologically and ethnographically oriented work from a number of disciplines to allow the reader to compare developments in the different states and to examine the interplay of language issues ethnic nationalism and processes of state formation and restructuring in the various political and historical contexts of Central and Eastern Europe A companion volume 0 333 92925 X examines the status of minority languages in the European Union

**Language and State** Xing Yu,2013-09-12 This book argues that a primitive society is formed on the basis of kinship ties while a civilized society is formed on the basis of linguistic communication When humans communicate with each other through language they extend the distance of communication The extension of communication distance helps expand communities States are gradually formed This means that as these communities grow they become too large to be supported only by the ties of kinship The use of language and the development of linguistic communication underlies the establishment of governments the introduction of laws the holding of elections and the flourishing of history philosophy literature art religion etc This book presents a new theory about the importance of language in the growth of the states **Current**

**Topics in Language and Literature** Nataša Bakić-Mirić,2019-03-25 This volume brings together 15 peer reviewed papers which discuss numerous current topics in language and literature It synthesizes various contemporary practical topics in post secondary education written by active researchers and practitioners in their respective areas By using research methods such as mixed methods case studies discourse analysis grounded theory and the repertory grid the contributors offer insights into the ways in which higher education continuously changes and evolves to face constant challenges resulting from new instructional practices Taking this into consideration this book will help educators researchers and students to keep up with these changes and to stay aware of contemporary issues relating to post secondary education *The Routledge Handbook*

*of Language Policy and Planning* Michele Gazzola,François Grin,Linda Cardinal,Kathleen Heugh,2023-09-28 The Routledge Handbook of Language Policy and Planning is a comprehensive and authoritative survey including original contributions from leading senior scholars and rising stars to provide a basis for future research in language policy and planning in international national regional and local contexts The Handbook approaches language policy as public policy that can be studied through the policy cycle framework It offers a systematic and research informed view of actual processes and methods of design implementation and evaluation With a substantial introduction 38 chapters and an extensive bibliography this Handbook is an indispensable resource for all decision makers students and researchers of language policy and planning within linguistics and cognate disciplines such as public policy economics political science sociology and education *Language, Society and the State in a Changing World* Stanley D. Brunn,Roland Kehrein,2023-04-08 This book addresses the changing contemporary language worlds in three major contexts It first discusses how the language landscape maps of cities are changing as a result of increased migration globalization and global media These features are evident in place names and place name changes as

well as the densities and frequencies of language spoken and used in texts The second section discusses how the state itself is responding to both indigenous and heritage groups desiring to be included and represented in the state s political landscapes and also expressions of art and culture In the third section the authors address a number of cutting edge theses that are emerging in the linguistic geography and political words These include the importance of gender anthropogenetic discourse the preservation of endangered languages and challenges to a state s official language policy Through including authors from nine different countries who are writing about issues in twelve countries and their overlapping interests in language mapping language usage and policy and visual representations this book provides inspiring research into future topics at local national regional and international scales

Language Policies and Educational Practices Saraswati Saini,2025-01-03 Language Policies and Educational Practices explores the critical role of language policies in education systems Language is a fundamental tool for communication shaping our thoughts and interactions This book examines how language policies determine the medium of instruction at various educational levels focusing on the practicalities and challenges of these policies We highlight the importance of local languages in contributing to a country s social political and economic development emphasizing their vital role in education Using case studies we analyze how local language policies are implemented by teachers the challenges they face and practical solutions to these challenges The book also discusses the need for refresher courses for teachers and training for translators From the 1960s the federal government encouraged and sometimes mandated the use of non English languages in education This book covers significant legislative milestones such as the Bilingual Education Act of 1968 the Native American Languages Act of 1990 and other federal programs promoting language diversity and literacy

## **The State Of The Language Introduction**

In the digital age, access to information has become easier than ever before. The ability to download The State Of The Language has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The State Of The Language has opened up a world of possibilities. Downloading The State Of The Language provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to

valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The State Of The Language has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The State Of The Language. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The State Of The Language. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The State Of The Language, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The State Of The Language has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About The State Of The Language Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality?
