**Contact of the Best Kind** G G Royal,2018-11-17 In 1947 Roswell New Mexico eyewitnesses swore that a UFO has crashed Stories that extraterrestrial bodies were recovered have surfaced Army intelligence refuted the story the very next day and gave an explanation that it was only a weather balloon that had fallen back to Earth They have stood behind that story ever since In the summer of 2016 a young couple and their daughter along with a family friend were taking their spacious boat from Miami Florida to Baltimore Maryland In the most incredible sequence of events they were shipwrecked to an uninhabited island To the public the missing group has now forever become a part of the conspiracy theory of missing cases in the notorious Bermuda Triangle Three young strangers blow the doors off that conspiracy theory with an even bigger truth and attempt to pull off the most amazing rescue of all time Using just their individual strengths and intelligence these young people learned to trust and depend on each other as they hide the answer to one of mankind s greatest questions are we alone in the universe
