Task Centered Practice:

Generalist Practice Eleanor Reardon Tolson, William James Reid, Charles D. Garvin, 2003 This basic textbook seeks to establish a task centered methodology a structured short term problem solving approach applicable across systems at five levels of practice the individual the family the group organizations and communities The second edition offers more information on systems theories and includes case studies with each chapter Checklists are provided for each level of practice along with questions for consideration and practice exercises to help students monitor their understanding and skill development

Task-centered Practice William James Reid, Laura Epstein, 1977 Based on the papers of the Conference on applications of task centered treatment held at the University of Chicago 1975 *Task-Centred Social Work* Mark Doel, Peter Marsh, 2017-03-02 Task centred practice is a forward thinking goal orientated approach to social work It is a practice based approach built on research which reflects the new mood being developed in the social work field and it has now been successfully used in a wide variety of settings and circumstances The theme of Task Centred Social Work is partnership exploring the principles on which task centred practice is based while offering clear and practical guidance for work whether with people who seek help with social problems or with those who are involuntary clients The book describes in detail the sequence of work to help clients move from present problems to future goals This is illustrated by a case study which runs through the chapters and uses an imaginative recording style Checklists and bibliographies are also used to aid understanding The authors respond to the model s critics and explore both the scope and the limitations of the task centred practice Social professionals whether working in practice or in training settings will find this book an invaluable aid to the development of successful social practice work
