Struggle For The Border:

The Struggle for the Border (Reissue) Bruce Hutchison, Vaughn Palmer, 2012 In *The Struggle for the Border* renowned journalist and popular historian Bruce Hutchison tells the little known story of how that border was established It is a story of frontier war explorers expeditions Fenian raids the burning of Washington and of political threats and counterthreats Hutchison carries the amazing chronicle up to the days just after the Second World War and the continental military and economic unification that laid the foundations of contemporary Canada The Struggle for the Border, 1970 **The**

Geographies of Struggle Margarita Theresa Barceló, 1995 **The War Within the Union High Command** Thomas Joseph Goss, 2003 As this book reveals professional generals viewed the war as a military problem requiring battlefield solutions while appointees and President Lincoln focused more emphatically on the broader political contours of the struggle The resulting friction often eroded Northern morale and damaged the North's war effort Goss challenges the traditional idea that success was measured only on the battlefield by demonstrating significant links between military success and the achievement of the Union's political objectives Examining commanders like Benjamin Butler Nathaniel Banks John McClernand John Fremont and Franz Sigel Goss shows how many filled vital functions by raising troops boosting homefront morale securing national support for the war and sometimes even achieving significant success on the battlefield

Connecting and Distancing Ho Khai Leong, 2009 Connecting and distancing have been two prominent themes permeating the writings on the historical and contemporary developments of the relationship between Southeast Asia and China As neighbours the nation states in Southeast Asia and the giant political entity in the north communicated with each other through a variety of diplomatic overtures political agitations and cultural nuances In the last two decades with the rise of China as an economic powerhouse in the region Southeast Asia's need to connect with China has become more urgent and necessary as it attempts to reap the benefit from the successful economic modernization in China At the same time however there were feelings of ambivalence hesitation and even suspicions on the part of the Southeast Asian states vis a vis the rise of a political power which is so less understood or misunderstood The contributors of this volume are authors of various disciplinary backgrounds history political science economics and sociology They provide a spectrum of perspectives by which the readers can view Sino Southeast Asia relations *Racial Borders* James N.
