Successful Charter Schools:

Successful Charter Schools U. S. Department of Education, 2004-12-01 Twelve years after the first charter school was launched the charter school movement is now entering its adolescence Like many pre teens it s had its share of growing pains but I am confident that it is about to hit a growth spurt That is because charter schools are enormously popular with their primary clients parents and students and because they are starting to show promising results in terms of student achievement The basic tenets of charter schools give them room to be innovative hold them accountable for results and let parents decide if they meet the needs of their children are perfectly aligned with the historic No Child Left Behind Act NCLB which also focuses on accountability for results in return for more flexibility and with providing more options for parents than ever before One of the promises of charter schools is that they can serve as laboratories of innovation they can be public education s R D arm Because they have greater autonomy than traditional public schools and since they tend to attract pioneering educators they can try out new approaches to education that if proven effective can be transplanted back into the larger public education system It is in this spirit that we highlight eight of the most successful charter schools in the United States These schools were chosen after an exhaustive national search They were primarily selected because they have demonstrated success over time in boosting student achievement Surely many more charter schools could have been identified and these should not be considered the best charter schools in the nation Nevertheless they are among the best and each has much to teach other charterschools and traditional public schools about teaching and learning management strategies staff development and many other topics

How to Start and Successfully Operate a Charter School Dr. John von Rohr, 2014-11-22 Dr von Rohr is a force in charter schools in the United States Joan Lange National Schools Director The Challenge Foundation Dr von Rohr s Spartanburg Preparatory School exemplifies the original ideals of the charter school movement His dedication and leadership have led to the school ranking near the top in statewide academics while the funding is near the bottom Dr Wayne Brazell Superintendent South Carolina Public Charter School District

A Smarter Charter Richard D. Kahlenberg, Halley Potter, 2014-09-19 Moving beyond the debate over whether or not charter schools should exist A Smarter Charter wrestles with the question of what kind of charter schools we should encourage The authors begin by tracing the evolution of charter schools from Albert Shanker s original vision of giving teachers room to innovate while educating a diverse population of students to today s charter schools where student segregation levels are even higher than in traditional

public schools In the second half of the book the authors examine two key reforms currently seen in a small but growing number of charter schools socioeconomic integration and teacher voice that have the potential to improve performance and reshape the stereotypical image of what it means to be a charter school

School Choice: Separating Fact from Fiction Patrick J. Wolf,2020-05-21 School choice is a hot topic in the United States Private school vouchers public charter schools open enrollment and homeschooling all regularly appear on the policy agenda as ways to improve the educational experience and outcomes for students parents and the broader society Pundits often make claims about the various ways in which parents select schools and thus customize their child s education What claims about school choice are grounded in actual evidence This book presents systematic reviews of the social science research regarding critical aspects of parental school choice How do parents choose schools and what do they seek What effects do their choices have on the racial integration of schools and the performance of the schools that serve non choosing students What features of public charter schools are related to higher student test scores What effects does school choice have on important non cognitive outcomes including parent satisfaction student character traits and how far students go in school What do we know about homeschooling as a school choice This book originally published as a special issue of the Journal of School Choice provides evidence based answers to those vital questions

Leading the Dream Debo Powers,2014-11-06 This is a story about turning dreams into reality Told from the perspective of the founding principal it is the story of how a small group of dedicated educators and parents created a school from nothing but dreams and hard work a school that would be recognized by the U S Department of Education as one of the top eight charter schools in the nation just five years after its doors opened This is a story of commitment passion and persistence a real labor of love that continues to enrich the lives of young people teachers and parents who have had the good fortune to be a part of it
