## **Such Is Life Australian Classics:**

**The Life of Such is Life** Roger Osborne, 2022-03-01 Since its publication in 1903 Joseph Furphy's *Such is Life* has become established as an Australian classic. But which version of the novel is the authoritative text and what does its history reveal about Australian cultural life? From Furphy's handwritten manuscript through numerous editions, a controversial abridgement for the British market condemned by A. D. Hope as a mutilation, and periods of obscurity and rediscovery, the text has been reshaped and repackaged by many hands. Furphy's first editors at the *Bulletin* diluted his socialist message and corrected his Australian slang to create a more marketable book. Later literary players including Vance and Nettie Palmer, Miles Franklin, Kate Baker, and Angus Robertson all took an interest in how Furphy's work should be published. In a fascinating piece of literary detective work, Osborne traces the book's journey and shows how economic and cultural forces helped to shape the novel we read today.

**Such Is Life** Joseph Furphy, 2023-05-10 *Such Is Life* by Joseph Furphy is a novel that delves into the lives of bullock drivers in the Australian outback during the late 19th century. The narrative begins with the protagonist Tom Collins finding himself unemployed and reflecting on the philosophical implications of his situation. As he travels through the Riverina region, he encounters a group of bullock drivers, each with their own stories and challenges. The novel explores themes of survival, camaraderie, and the harsh realities of life in the Australian bush. The characters engage in discussions about the ethics of their work, the challenges of finding grass and water for their cattle, and the moral dilemmas they face. The story is rich with detailed descriptions of the landscape and the daily struggles of the characters, providing a vivid picture of life in the outback. Through the interactions and experiences of the characters, Furphy offers a critique of the social and economic conditions of the time, highlighting the resilience and resourcefulness required to navigate the challenges of the Australian frontier.

*The Annotated Such is Life* Joseph Furphy, 1991 **Australian Classics** Jane Gleeson-White, 2007-11-01 Reintroduces 50 classics of Australian literature including novels, non-fiction, children's literature, and poetry from the last 200 years.

*Such Is Life* Joseph Furphy, 2021-06-08 *Such is Life* 1903 is a novel by Joseph Furphy. Written under his pseudonym Tom Collins, *Such is Life* is a unique and challenging story that took decades to achieve a proper audience. Earning comparisons to the works of Melville and Twain, Furphy's novel is considered a landmark of Australian literature. The fore part of the day was altogether devoid of interest or event. Overhead the sun blazed wastefully and thanklessly through a rarefied atmosphere; underfoot the hot black clay thirsting for spring rain and bare except for inedible roley poleys, coarse tussocks, and the woody stubble of close-eaten salt bush, between sky and earth a solitary wayfarer wisely lapt in philosophic torpor. Setting out on a trek through the outback, Tom Collins begins his seemingly endless torrent of words, a journey through language to match his journey over land. Accompanied by a dog and two horses, he meets a vibrant array of characters from all nations and walks of life, from drovers to criminals. Collins can talk with them all. Described by

Furphy himself as offensively Australian Such is Life is part travelogue part philosophy a novel ahead of its time that remains informative for our own With a beautifully designed cover and professionally typeset manuscript this edition of Joseph Furphy's Such is Life is a classic work of Australian literature reimagined for modern readers Booksellers, Stationers and Fancy Goods Journal of Australia and New Zealand ,1928 Such is Life Joseph Furphy, **The Publisher and Bookseller** ,1929 Official organ of the book trade of the United Kingdom *The Australian People, 1788-1945* Brian Charles Fitzpatrick,1946 *Atlantis* ,2002 Australian Book Review ,2002 *Unity* ,1948 *Westerly* ,1975 *Made in Australia* Alexandra Towle,1986 *The Australian Novel* Colin Roderick,1945 Biographical notes on nineteen Australian novelists with extracts from their works Australian Books in Print ,1987 **Australian Literature from 1890-1900** Frank Morgan Patterson,1957
