Report of the Secretary's Task Force on Black & Minority Health: Crosscutting issues in minority health

United States. Dept. of Health and Human Services. Task Force on Black and Minority Health,1985 *The Golden Age of Battlefield Preservation* Timothy B. Smith,2025-12-08 The 1890s argues Timothy B Smith in his new book represented the climax of battlefield preservation in America But what makes this decade so important This decade was the perfect time for the establishment of these national parks Five Civil War battlegrounds at Gettysburg Chickamauga and Chattanooga Shiloh Antietam and Vicksburg were commemorated as national sites during this time Just past the bitterness and racial tensions of Reconstruction and prior to the explosive growth brought on by the Second Industrial Revolution the time was right for the war s veterans from both sides to come together in a spirit of reconciliation and brotherhood to lead the efforts to open the parks As yet unmarred by development these battlefield sites were preserved mostly intact just how the veterans would have remembered them To date they represent the country s finest preserved battlefields Smith s book is the first to look at the process of battlefield reservation as a whole He focuses on how each of these sites was established and the important individuals the congressmen the former soldiers the veteran commissioners who were the catalysts for the creation of these parks The Golden Age of Battlefield Preservation is a watershed book about an essential period in the history of battlefield preservation and will be of interest to any reader who wishes to have a better understanding how such preservation efforts were initiated **Annual Report of the Department of the Interior** United States.
