**The Murrelet** Frank Stevens Hall,1924     **Ewe Comic Heroes (RLE Folklore)** Zinta Konrad,2015-02-11 The trickster character is prominent in the cultural particularly narrative traditions of many different peoples throughout the world Comic and serious stupid and clever benevolent and evil winner and loser the trickster is a study in contradictions The trickster cannot be pigeonholed for he does not fit into any neat categories or definitions This study first published in 1994 aims to give the reader the opportunity to experience in some small measure the dynamic and exciting dramatic oral narrative performances of the Ewe people of West Africa     *Percussion* John Mowitt,2002-06-07 By emphasizing the specifically percussive articulation of rhythm this study contributes to the elaboration of critical musicology by both challenging its construction of music as essentially harmonic and by extending the interpretive vocabulary of music     *The Kingdom* Francheska White,2000-05     *Sublime Drama* Elzbieta Iwona Baraniecka,2013-05-28 British drama of the 1990s is most commonly associated with the term in yer face theatre which was coined by Aleks Sierz to describe the shocking and provocative work of emerging playwrights such as Mark Ravenhill or Sarah Kane Taking a cue from Sierz s own suggestion

that what still remains to be researched more thoroughly in this field is the particular relationship between the stage and the audience this monograph undertakes precisely that task Rather than use the term offered by Sierz however the study proposes a different concept to account for the dynamics of communication within the particular theatre of the 1990s namely the aesthetic category of the sublime Coupled with elements of Reader Response Theory the sublime proves to be a more fruitful term as it provides more precise tools for the analysis of the audience s aesthetic response than does in yer face theatre With the help of four representative plays by four key playwrights of that time Closer by Patrick Marber Normal by Anthony Neilson Faust is Dead by Mark Ravenhill and 4 48 Psychosis by Sarah Kane the book details the consecutive stages in the process of the plays reception that the members of the audience go through while forming their aesthetic response to them Looking through the prism of the sublime the study not only offers a detailed analysis of each play but also suggests an entirely new approach to British drama of the 1990s
