Nine Steps to America Sunjay Zaveri,2008-07 There are many books about immigrating to the US written by lawyers and other experts that focus on the legal and technical aspects without any practical perspective This is the first book ever written by an immigrant laying out the actual process of immigrating to the US in nine simple steps minus legal or technical jargon This book is much like the definition of democracy of the people by the people for the people It is the guide of an immigrant written by an immigrant for the immigrant If you have ever thought about migrating to the US or are waiting to immigrate you can benefit greatly from the practical tips offered in the book It is also an excellent read for well meaning Americans who care about immigration
