The Best Minds Jonathan Rosen,2024-04-16 PULITZER PRIZE FINALIST Named a Top 10 Best Book of the Year by The New York Times The Wall Street Journal The Atlantic Slate and People One of Barack Obama s Favorite Books of 2023 Brave and nuanced an act of tremendous compassion and a literary triumph The New York Times Immensely emotional and unforgettably haunting The Wall Street Journal Acclaimed author Jonathan Rosen s haunting investigation of the forces that led his closest childhood friend Michael Laudor from the heights of brilliant promise to the forensic psychiatric hospital where he has lived since killing the woman he loved A story about friendship love and the price of self delusion The Best Minds explores the ways in which we understand and fail to understand mental illness When the Rosens moved to New Rochelle in 1973 Jonathan Rosen and Michael Laudor became inseparable Both children of college professors the boys were best friends and keen competitors and when they both got into Yale University seemed set to join the American meritocratic elite Michael blazed through college in three years graduating summa cum laude and landing a top flight consulting job But all wasn t as it seemed One day Jonathan received the call Michael had suffered a serious psychotic break and was in the locked ward of a psychiatric hospital Diagnosed with paranoid schizophrenia Michael was still battling delu sions when he traded his halfway house for Yale Law School Featured in The New York Times as a role model genius he sold a memoir with film rights to Ron Howard But then Michael in the grip of an unshakeable paranoid fantasy stabbed his girlfriend Carrie to death and became a front page story of an entirely different sort Tender funny and harrowing by turns The Best Minds is Jonathan Rosen s magnificent and heartbreaking account of good intentions and tragic outcomes whose significance will echo widely

Book News Inc Portland OR *"This Inward Look that Society Scorns"* Amy Christin Cottrell,1998 **Anne Sexton** Steven E. Colburn,1988 Contains some of the best and most representative writing about Sexton s life and work *Oedipus Anne* Diana Hume George,1987 Merging feminist and Freudian psychoanalytic approaches this volume creates an illuminating portrait of Anne Sexton a female hero in the tradition of Oedipus and his tragic quest for truth George shows how Sexton s quest for knowledge transformed her into an embattled prophet as well as a tragic victim of her culture s malaise and how she explored the cultural myths and archetypal relationships between parent and child man and woman divine and human She contends that out of this exploration blossomed a poetry that is powerful moving and significant to mid 20th century artistic and psychic life ISBN 0 252 01298 4 24 95 **Naked and Fiery Forms** Suzanne Juhasz,1976 **The Heath Anthology of American Literature: Late nineteenth century, 1865-1910, modern period, 1910-1945, contemporary period, 1945 to present** ,1990 **The American Tradition in Literature** George B.  The Reader's Adviser ,1986 **The Oxford Encyclopedia of American Literature** Jay Parini,2004 This set treats the whole of American literature from the European discovery of America to the present with entries in alphabetical order Each of the 350 substantive essays is a major interpretive contribution Well known critics and scholars provide clear and vividly written essays that reflect the latest scholarship on a given topic as well as original thinking on the part of the critic The Encyclopedia is available in print and as an e reference text from Oxford s Digital Reference Shelf At the core of the encyclopedia lie 250 essays on poets playwrights essayists and novelists The most prominent figures such as Whitman Melville Faulkner Frost Morrison and so forth are treated at considerable length 10 000 words by top flight critics Less well known figures are discussed in essays ranging from 2 000 to 5 000 words Each essay examines the life of the author in the context of his or her times looking in detail at key works and describing the arc of the writer s career These essays include an assessment of the writer s current reputation with a bibliography of major works by the writer as well as a list of major critical and biographical works about the writer under discussion A second key element of the project is the critical assessments of major American masterworks such as *Moby Dick* *Song of Myself* *Walden* *The Great Gatsby* *The Waste Land* *Their Eyes Were Watching God* *Death of a Salesman* or *Beloved* Each of these essays offers a close reading of the given work placing that work in its historical context and offering a range of possibilities with regard to critical approach These fifty essays ranging from 2 000 to 5 000 words are simply and clearly enough written that an intelligent high school student should easily understand them but sophisticated enough that a college student or general reader in a public library will find the essays both informative and stimulating The final major element of this encyclopedia consists of fifty odd essays on literary movements periods or themes pulling together a broad range of information and making interesting connections These essays treat many of the same authors already discussed but in a different context they also gather into the fold authors who do not have an entire essay on their work so that Zane Grey for example is discussed in an essay on Western

literature but does not have an essay to himself In this way the project is truly encyclopedic in the conventional sense These essays aim for comprehensiveness without losing anything of the narrative force that makes them good reading in their own right In a very real fashion the literature of the American people reflects their deepest desires aspirations fears and fantasies The Oxford Encyclopedia of American Literature gathers a wide range of information that illumines the field itself and clarifies many of its particulars **New Boston Review** ,1975 *Performance* Carol Simpson Stern,Bruce Henderson,1993 **Archive of Recorded Poetry and Literature** Library of Congress.
