To Chase The Sun:

Addicted to the Sun Captain Leo Walton,2021-03-24 As a direct result of an accidental electrocution while working on the 220 AC shore power system aboard his boat Captain Leo Walton had an event which changed his life forever Not only did the powerful electricity catapult him physically threw the air twelve feet it entered his left hand using his own nerves as a conduit to enter his brain causing a severe traumatic brain injury In less than a second he fell into unconsciousness and began a journey that he did not choose or volunteer For a period of three weeks alone he cycled in and out of consciousness not realizing that the damage to his brain and the left side of his body would demand of him to relearn how to speak to walk to read to feel and literally to be lost struggling to find himself As he recovered having been a successful marine forensics investigator he became obsessed with his own recovery Learning quickly how fast it is today in the factory of medicine that exists in America he found himself on six prescription medications some psychotic in nature to replace the chemical compounds his crippled pineal and pituitary glands could no longer provide Suffering the losses of business marriage and the ability to care and provide for himself he fell into cycles of anger and despair to the point of a well planned and luckily uncompleted suicide Having developed significant physical emotional and psychological symptoms he learned of a renegade bio electric energy known by the ancients as a sudden Kundalini awakening that he determined was the cause of his suffering Without any great success with modern western medicine he became an explorer of alternative methods and found himself investigating many ancient methods of healing such as yoga reiki qi gong and meditation which in time sungazing became his primary focus This volume details three experiments taken from Captain Leo s personal and detailed journals about his two sungazing experiments requiring nineteen months and three hundred forty four days totaling an incredible a hundred fifty three hours of staring naked eyed at the sun gaining the superhuman ability to stare at the sun for forty five minutes duration Now convinced his theories were correct as a result of his sungazing experiments and information he learned from a thorough investigation of Nikola Tesla s life and habits this led him to duplicate Tesla s habits and participate once more in an experiment to see how long he could go without eating food and remain alive and healthy This led to a tenacious ninety days living as a breatharian to prove his beliefs Learn why Captain Leo affectionately named this *The Book of Miracles*

Tales of Adventure ... Robert Michael Ballantyne,1875 *Chasing the Light* Jesse Blackadder,2013-02-01 A fictional recounting of the little known true story of the first woman to ever set foot on Antarctica and her extraordinary fight to get there A fictional recounting of the little known true story of the first woman to ever set foot on Antarctica and her extraordinary fight to get there It s the early 1930s Antarctic open sea whaling is booming and a territorial race for the mysterious continent between Norwegian and British Australian interests is in full swing Aboard a ship setting sail from Cape town carrying the Norwegian whaling magnate Lars Christensen are three women Lillemor Rachlew who tricked her way on to the ship and will stop at nothing to be the first woman to land on Antarctica Mathilde Wegger a grieving widow who s been

forced to join the trip by her calculating parents in law and Lars's wife Ingrid Christensen who has longed to travel to Antarctica since she was a girl and has made a daunting bargain with Lars to convince him to take her Loyalties shift and melt and conflicts increase as they pass through the Southern Ocean and reach the whaling grounds None of the women is prepared for the reality of meeting the whaling fleet and experiencing firsthand the brutality of the icy world As they head for the continent itself the race is on for the first woman to land on Antarctica None of them expect the outcome and none of them know how they will be changed by their arrival Based on the little known true story of the first woman to ever set foot on Antarctica Jesse Blackadder has captured the drama danger and magnetic pull of exploring uncharted places in our world and our minds

Chase The Wild Pigeons: A Novel of the Civil War John Gschwend,2011-07-28 The Civil War South in 1863 is desperate and dangerous For Joe a 12 year old boy suddenly alone and 600 mile from home it's a nightmare come true This adventure story is a tale of a special friendship that only comes along once in a lifetime Joe who is white and Peter sixteen and a free Black become unlikely friends and learn to depend on each other as they try to escape the desperate Confederate South Follow these two as they trek through a war torn countryside and witness war at its worst up close and personal They travel through a landscape that has been decimated by brutal battles and they encounter people that have suffered the extreme hardships and depredation of three years of war All the while they learn to depend on each other and grow a binding love as special as any two brothers They will need each other more than they know unknown to them they are being pursued by a deranged killer
