

To Save Bastogne

Robert E. Merriam

To Save Bastogne:

To Save Bastogne Robert F. Phillips, 1996-01-01 **Mrs. Cordie's Soldier Son** Rocky R. Miracle, 2008-03-25 The story of D C Caughran Jr Mrs Cordie s son could be that of almost any soldier in World War II He left the comfort of home and family to become part of one of the defining conflicts of modern times The letters he wrote home tell his story from the day he received his draft notice in the summer of 1942 through battle capture wounding imprisonment and his eventual return home for recuperation and discharge Author Rocky R Miracle the son in law of D C Caughran tells not only Caughran s story but at the same time the story of the home folks who anxiously watched for letters from their soldier boy and wrote faithfully of their love and prayers for his safety This home front narrative also stands as an important and deeply personal record of life in wartime Taken prisoner during the German breakout of December 1944 that led to the Battle of the Bulge D C was force marched past corpses lining the road into Germany loaded with other American prisoners into boxcars and held in a prison camp during the coldest European winter of the century He suffered starvation rations and hepatitis and was hospitalized after his liberation though doctors were doubtful that he would recover However with time and care he returned to health was honorably discharged from the U S Army and lived a long productive life This intimate portrait of an American family at home and at war during a time of world upheaval is at once heartwarming sobering and entertaining Mrs Cordie s Soldier Son is highly recommended for readers interested in World War II the POW experience and home front literature

Snow and Steel Peter Caddick-Adams, 2014-10-31 Between December 16 1944 and January 15 1945 American forces found themselves entrenched in the heavily forested Ardennes region of Belgium France and Luxembourg defending against an advancing German army amid freezing temperatures deep snow and dense fog Operation Herbstnebel Autumn Mist was a massive German counter offensive that stunned the Allies in its scope and intensity In the end the 40 day long Battle of the Bulge as it has come to be called was the bloodiest battle fought by U S forces in World War II and indeed the largest land battle in American history Before effectively halting the German advance some 89 000 of the 610 000 American servicemen committed to the campaign had become casualties including 19 000 killed The engagement saw the taking of thousands of Americans as prisoners of war some of whom were massacred by the SS but it also witnessed the storied stand by U S forces at Bastogne as German forces besieged the region and culminated in a decisive if costly American victory Ordered and directed by Hitler himself against the advice of his generals the Ardennes offensive was the last major German offensive on the Western Front In the wake of the defeat many experienced German units were left severely depleted of men and equipment Its last reserve squandered these irreplaceable losses would hasten the end of the war In *Snow and Steel* Peter Caddick Adams draws on interviews with over 100 participants of the campaign as well as archival material from both German and US sources to offer an engagingly written and thorough reassessment of the historic battle Exploring the failings of intelligence that were rife on both sides the effects of weather and the influence of terrain on the battle s outcome

Caddick Adams deftly details the differences in weaponry and doctrine between the US and German forces while offering new insights into the origins of the battle the characters of those involved on both the American and German sides from the general staff to the foot soldiers the preparedness of troops and the decisions and tactics that precipitated the German retreat and the American victory Re examining the SS and German infantry units in the Bulge he shows that far from being deadly military units they were nearly all under strength short on equipment and poorly trained kept in the dark about the attack until the last minute they fought in total ignorance of their opponents or the terrain Ultimately Caddick Adams concludes that the German assault was doomed to failure from the start Aided by an intimate knowledge of the battlefield itself and over twenty years of personal battlefield experience Caddick Adams has produced the most compelling and complete account of the Bulge yet written *Corps Commanders of the Bulge* Harold R. Winton,2016-07-10 If the Battle of the Bulge was Germany's last gasp it was also America's proving ground the largest single action fought by the U S Army in World War II Taking a new approach to an old story Harold Winton widens our field of vision by showing how victory in this legendary campaign was built upon the remarkable resurrection of our truncated interwar army an overhaul that produced the effective commanders crucial to GI success in beating back the Ardennes counteroffensive launched by Hitler's forces Winton's is the first study of the Bulge to examine leadership at the largely neglected level of corps command Focusing on the decisions and actions of six Army corps commanders Leonard Gerow Troy Middleton Matthew Ridgway John Millikin Manton Eddy and J Lawton Collins he recreates their role in this epic struggle through a mosaic of narratives that take the commanders from the pre war training grounds of America to the crucible of war in the icy cold killing fields of Belgium and Luxembourg Winton introduces the story of each phase of the Bulge with a theater level overview of the major decisions and events that shaped the corps battles and for the first time fully integrates the crucial role of airpower into our understanding of how events unfolded on the ground Unlike most accounts of the Ardennes that chronicle only the periods of German and American initiative Winton's study describes an intervening middle phase in which the initiative was fiercely contested by both sides and the outcome uncertain His inclusion of the principal American and German commanders adds yet another valuable layer to this rich tapestry of narrative and analysis Ultimately Winton argues that the flexibility of the corps structure and the competence of the men who commanded the six American corps that fought in the Bulge contributed significantly to the ultimate victory Chronicling the human drama of commanding large numbers of soldiers in battle he has produced an artful blend of combat narrative collective biography and institutional history that contributes significantly to the broader understanding of World War II as a whole With the recent modularization of the U S Army division which makes this command echelon a re creation of the corps of World War II *Corps Commanders of the Bulge* also has distinct relevance to current issues of Army transformation **Army** ,1996 **The Guns at Last Light** Rick Atkinson,2013-05-14 Tells the dramatic story of the titanic battle for Western Europe from D Day to the thrust to the heart of the Third Reich *A Time for*

Trumpets Charles B. MacDonald, 1985 On December 16 1944 the vanguard of three German armies totaling half a million men attacked U S forces in the Ardennes region of Belgium and Luxembourg achieving what had been considered impossible total surprise In the most abysmal failure of battlefield intelligence in the history of the U S Army 600 000 American soldiers found themselves facing Hitler s last desperate effort of the war The brutal confrontation that ensued became known as the Battle of the Bulge the greatest battle ever fought by the U S Army a triumph of American ingenuity and dedication over an egregious failure in strategic intelligence A Time for Trumpets is the definitive account of this dramatic victory told by one of America s most respected military historians who was also an eyewitness MacDonald commanded a rifle company in the Battle of the Bulge His account of this unique battle is exhaustively researched honestly recounted and movingly authentic in its depiction of hand to hand combat Mingling firsthand experience with the insights of a distinguished historian MacDonald places this profound human drama unforgettably on the landscape of history Copyright Libri GmbH All rights reserved

Against the Panzers Allyn R. Vannoy, Jay Karamales, 1996 A dissection of eight World War II battles taking the perspective of the US Army infantrymen who faced the German Panzers The battles were chosen for investigation because of the wide variety of engagements they represented such as river crossings defensive operations assaults on towns rapid advance or intense combat The sites include Mortain Arnaville Lucherberg Hosingen Krinkelt and Rocherath Dom Butgenbach Butzdorf and Tettingen c Book News Inc The Super Sixth George F. Hofmann, 1975 S geord Brittany Utah Beach Gremecey Forrest Seille Valley Attack Nied River Crossing Lorient Mutterbach Le Mont de Cadenbronn Bastogne Our River Siegfried Line 1944 Rhine Main Fulda Kampene ved Rhinen Rhine Crossings Muhlhausen Daoulas Lanfroicourt Falquemont Battle of the Bulge Skyline Drive Prum River Frankfurt Fulda Werra Saale Armoured Infantry Battalion 9th 44th 50th Tank Battalion 15th 68th 69th Armoured Field Artillery Battalion 128th 212th 231st 86th Cavalry Reconnaissance Squadron 25th Armoured Engineer Battalion *Battle of the Bulge* Robert E. Merriam, 1983-06 **Atkinson's Evening Post and Philadelphia Saturday News**, 1963-10 **Generals of the Ardennes** J. D. Morelock, 1994 Institute for National Strategic Studies Cover of pbk printing The U.S.A. Peter d'Alroy Jones, 1976 This new text along with its companion volume *The U S A A History of Its People and Society since 1865* presents a fresh approach to the study of American History The author departs from the traditional political areas to concentrate on the attitudes aspirations and needs of a people as they build a society over the decades of their history Violence tension class and ethnic struggles appear as part of the developing story Conceived by one author thematic concerns and unified style run throughout both volumes providing an integrated story The author s objective is to provoke interest critical thinking skills and delight in the history of America s adventures and misadventures The exposition is sometimes critical yet American democratic values and drives are identified throughout the two volumes as well as the persistence of the American Dream Students are presented with a picture of how the model of equality and liberty evolved and broadened to meet the new social challenges as the American people and their values changed over time

Publisher The Long Road David Wilmes, George Foster Provost, 1999 The Saturday Evening Post, 1945 **The Second World War**, 1985 **Pennsylvania Historical Bibliography** John B. B. Trussell, 1985 Complements and updates the Bibliography of Pennsylvania history issued and by Pennsylvania Historical and Museum Commission **Best Sellers**, 1983 **The World at War, 1939-1945** William Edward Scott, 2002 An extraordinarily detailed reference book The World At War 1939 1945 offers the reader an in depth guide to the greatest conflict of the 20th Century Meticulously researched with over 1 200 identifications and a bibliography of over 4 000 sources the book examines the people places and events that changed our world forever William Scott spent three years carefully researching and compiling the information for this book He worked exclusively from military archives and university libraries to produce this one of a kind World War II reference book Including an easy to follow chronology of events a list of military and naval abbreviations and an organizational chart of U S Army units The World At War 1939 1945 is a must for military historians academics history buffs and veterans The Last Assault Charles Whiting, 1994 The distinguished author takes a fresh look at conventional explanations for the failure of the final German offensive in World War II
