Stuart's Tarheels Chris J. Hartley,2011-08-10 When Confederate Major General J E B Stuart said North Carolina has done nobly in this army he had one of his own men to thank Brigadier General James Byron Gordon A protege of Stuart Gordon was the consummate nineteenth century landowner politician and businessman Despite a lack of military training he rose rapidly through the ranks and as the commander of all North Carolina cavalymen in the Army of Northern Virginia he helped bring unparalleled success to Stuart's famed Confederate cavalry This updated biography originally published in 1996 chronicles Gordon's early life and military career and through his men takes a fresh look at the vaunted Army of Northern Virginia its battles controversies and troops This second edition includes additional source material that has come to light and a roster of Gordon's 1st North Carolina Cavalry **Private Laws** Great Britain,1847 [Champions of Choice and Change](#) Dennis C. Bustin,2023-08-04 *Champions of Choice and Change* examines the role of seventeenth century English dissenting religious groups and the rise of democratic ideals in western society Many people assume that the French philosophers whose ideas and writings gave rise to the Revolution in France were the creators and initiators of the democratic theories which would shape order and give direction to modern Western society as it developed This work argues

otherwise claiming that such advances ideas related to equality choice political involvement education enabling and inclusion of women religious liberty toleration occurred first not in the secular context of late eighteenth century Enlightenment France but in the spiritual context of radical and or dissenting religious groups in Stuart England over a century earlier shaped by previous ideas of the European Reformers
