

The Acropolis

H Kauffman

The Acropolis:

Architecture and Meaning on the Athenian Acropolis Robin Francis Rhodes,1995-06-30 Examines the several buildings making up the Acropolis as a group or narrative

The Acropolis Restoration News ,2007

The Poetics of Appearance in the Attic Korai Mary Stieber,2010-01-01 Some of the loveliest works of Archaic art were the Athenian korai sculptures of beautiful young women presenting offerings to the goddess Athena that stood on the Acropolis Sculpted in the sixth and early fifth centuries B C they served as votives until Persians sacked the citadel in 480 79 B C Subsequently they were buried as a group and forgotten for nearly twenty four centuries until archaeologists excavated them in the 1880s Today they are among the treasures of the Acropolis Museum Mary Stieber takes a fresh look at the Attic korai in this book Challenging the longstanding view that the sculptures are generic female images she persuasively argues that they are instead highly individualized mimetically realistic representations of Archaic young women perhaps even portraits of real people Marshalling a wide array of visual and literary evidence to support her claims she shows that while the korai lack the naturalism that characterizes later Classical art they display a wealth and realism of detail that makes it impossible to view them as generic idealized images This iconoclastic interpretation of the Attic korai adds a new dimension to our understanding of Archaic art and to the distinction between realism and naturalism in the art of all periods

The Builder ,1902

The Parthenon Marbles Christopher Hitchens,2016-06-14 A fascinating history of an art world scandal the seizure and sale of Ancient Greek sculptures to the British Museum and a passionate cry for their return to the Parthenon in Athens The Parthenon Marbles formerly known as the Elgin Marbles designed and executed by Pheidias to adorn the Parthenon are perhaps the greatest of all classical sculptures In 1801 Lord Elgin then ambassador to the Turkish government had chunks of the frieze sawn off and shipped to England where they were subsequently seized by Parliament and sold to the British Museum to help pay off his debts This scandal exacerbated by the inept handling of the sculptures by their self appointed guardians remains unresolved to this day In his fierce eloquent account of a shameful piece of British imperial history Christopher Hitchens makes the moral artistic legal and political case for re unifying the Parthenon frieze in Athens The opening of the New Acropolis Museum emphatically trumps the British Museum s long standing if always questionable objection that there is nowhere in Athens to house the Parthenon Marbles With contributions by Nadine Gordimer and Professor Charalambos Bouras The Parthenon Marbles will surely end all arguments about where these great treasures belong and help bring a two centuries old disgrace to a just conclusion

Whispering the Secrets of Language: An Mental Journey through **The Acropolis**

In a digitally-driven earth where screens reign supreme and instant interaction drowns out the subtleties of language, the profound techniques and mental subtleties concealed within phrases frequently move unheard. Yet, set within the pages of **The Acropolis** a charming fictional treasure pulsating with natural emotions, lies a fantastic journey waiting to be undertaken. Written by an experienced wordsmith, that charming opus attracts visitors on an introspective trip, lightly unraveling the veiled truths and profound impact resonating within the very cloth of each word. Within the mental depths of the emotional review, we will embark upon a heartfelt exploration of the book is primary themes, dissect its interesting publishing fashion, and succumb to the powerful resonance it evokes deep within the recesses of readers hearts.
