Ulam,1952     Titoism and the Cominform ,1971     **Titoism in Action** Fred Warner Neal,2022-09-23 This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1958     Titoism and the Cominform ,1950     **With Stalin against Tito** Ivo Banac,2018-10-18 In 1948 in a series of moves that culminated in the famous Cominform Resolution Stalin struck at the Communist Party in Yugoslavia provoking the first split in the Communist state system With this long awaited book Ivo Banac becomes the first scholar to assess the domestic consequences of Yugoslavia s expulsion from the Cominform and his findings will radically revise some of our most basic assumptions about Tito s revolution Banac s subject is the nature and fate of those elements in the Yugoslav Communist party who were said to have sided with Moscow against their own country s leadership He demonstrates that the so called Cominformists represented as much as twenty percent of the party membership and had widely divergent aims He then reconstructs the history of the labrynthine factional struggles that preceded and accompanied the 1948 split and shows that as always the national question played the dominant role in Yugoslav politics After identifying the members of the opposition and mapping its course Banac recounts the harsh repression of the movement He provides massive documentation of startling irony the conflict with Stalin played the same part in the shaping of Yugoslavia s political system as the collectivization and purges of the 1930 s did in the history of Soviet communism     Keeping Tito Afloat Lorraine M. Terzuolo,2019-07-11 All European Communist parties define themselves largely in terms of their relationship amicable or not to the Communist Party of the Soviet Union Consequently most studies of relations between Communist parties emphasize interactions with the Soviets However not all the smaller European Communist parties interact strictly through the medium of Moscow There exists an extensive genuinely bilateral aspect to the relationship between Italian and Yugoslav Communists Both have tended to seek distinctively national paths and to differing degrees both have been at odds with the Soviets The history of Italo Yugoslav nationality and border disputes as well as major differences in how the two Communist parties have approached those disputes has done much to condition inter party relations Red Adriatic is the first book to focus on relations between Communist parties in adjacent countries As such it offers insights both practical and theoretical into problems of inter party

relations Based on archival sources as well as on published materials it also contributes to the individual historiographies of the Italian and Yugoslav Communist parties The study speaks to several issues in comparative Communist studies contrasting the different ways in which the two parties have adapted to national circumstances balancing nationalism and internationalism and to their different leadership styles **Titoism and Masters of Imposture** Josef Kalvoda,1958
