To Soar Again:

To Soar Beyond the Stars Robert A. Sanford, 2011-06-27 Have you ever had a life changing unexplainable spiritual experience Something that left you puzzled mystified or in awe *To Soar Beyond the Stars* offers insight into the mystery of these experiences showing how life can be viewed in a bold new way and revealing how to find courage during life s darkest moments In author Robert A Sanford s inspirational book the main character is a seagull named One Wing who must learn to cope with life after breaking one of his wings During the healing process he questions many aspects of his life On his journey of self discovery he unravels the riddle of the Law of Attraction why it works and how to use it As One Wing becomes more and more enlightened about his truest identity he learns ways of reinventing himself to fulfill his highest aspirations Readers will be mesmerized by One Wing s adventures which begin when he awakens one night to the sight of a mystical gull of light The strange visitor tells One Wing that the two of them are one and the same Puzzled by this One Wing sets out to discover answers to the very questions we all ask Why am I here Where am I going

Sent to Soar Rev Dr Stephen Poos-Benson, 2014-05-20 Among books that discern people s reason for living this one is exceptional for its interfaith perspective and clear text readily accessible to people of all backgrounds Reverend Poos Benson mines the wisdom of the great spiritual heroes Jesus Buddha Krishna Mohammed Lao Tzu to reveal a pattern in how God works in the world He believes that God has sent us to fulfill a unique destiny in order to find meaning in life we must understand why we have been sent and then fulfill that purpose Having been one of the first responders after the Columbine school shootings he is well qualified for his focus on the thorny issue of great trauma empowering readers to become aware of how the divine is moving through their lives in spite of tremendous suffering and evil He also provides questions for individuals and groups to ponder resulting in a vibrant text that leads to healing and self transformation

Chosen to Soar Lizette Porter, 2010-10-13 CHOSEN TO SOAR is a collection of poems speaking into the hearts of people caught up in troubled times These poems inspired by the Holy Spirit brought hope into my life at a time when I had no more hope Gods grace and love reached down through these words and allowed me to soar again We all go through dark times feeling hopeless and abandoned but in the midst of these times Gods love breaks through and shines on us as glorious as sunshine after the rain We have all been chosen to soar We were meant to fly on the wings of eagles soaring above every situation May you too rediscover your wings and soar up into the sky high above your circumstances
