**THE TRANSFERENCE OF SPIRITS** Samson Ajilore,2015-12-19 The Bible speaks differently of the transference of spirits from the secular world It speaks of the transference of the anointing of the Holy Spirit from one person to another person or people This will result in the person or people to whom the spirit has been transferred walking in similar or even greater manifestation of the Spirit than the person from whom it was transferred We see this in Elisha who did twice as much miracles as his spiritual father Elijah after he received the mantle or transference of his twain spirit The Bible records that exactly twice as much miracles were done in the ministry of Elisha to that of Elijah Elijah s last miracle the parting of River Jordan was Elisha s first Consequently he took off from where his spiritual father had stopped and advanced further beyond him
