## SPARK ACTION - How To Lead Change

## The Future of Work: Leaders Succeed in Disruption

Do you want to become a leader in the future of work? The future of work is a time of disruption and change. Leaders who succeed in this time are those who are able to adapt to change and lead their teams through it. This guide provides a framework for how to do this.

**1. Be a role model**  
Leaders should be the first to embrace change and demonstrate a positive attitude. This sets the tone for the rest of the team.

**2. Communicate clearly**  
Clear communication is essential for leading through change. Leaders should explain the reasons for the change and the benefits it will bring.

**3. Listen to your team**  
Listening to your team is crucial for understanding their concerns and addressing them. This helps to build trust and buy-in.

**4. Set clear expectations**  
Clear expectations are necessary for ensuring that everyone is working towards the same goals. Leaders should define what success looks like and how it will be measured.

**5. Hold yourself and your team accountable**  
Accountability is key to leading through change. Leaders should hold themselves and their team members accountable for their actions and results.

**6. Be a team player**  
Leaders should be a team player and work closely with their team members. This helps to build a strong team and ensures that everyone is working together towards the same goals.

**7. Stay positive**  
Staying positive is essential for leading through change. Leaders should focus on the opportunities that change brings and avoid dwelling on the challenges.
