

The Tree

David Davies

The Tree:

The Tree Colin Tudge, 2007-10-23 A blend of history science philosophy and environmentalism The Tree is an engaging and elegant look at the life of the tree and what modern research tells us about their future There are redwoods in California that were ancient by the time Columbus first landed and pines still alive that germinated around the time humans invented writing There are Douglas firs as tall as skyscrapers and a banyan tree in Calcutta as big as a football field From the tallest to the smallest trees inspire wonder in all of us and in The Tree Colin Tudge travels around the world throughout the United States the Costa Rican rain forest Panama and Brazil India New Zealand China and most of Europe bringing to life stories and facts about the trees around us how they grow old how they eat and reproduce how they talk to one another and they do and why they came to exist in the first place He considers the pitfalls of being tall the things that trees produce from nuts and rubber to wood and even the complicated debt that we as humans owe them Tudge takes us to the Amazon in flood when the water is deep enough to submerge the forest entirely and fish feed on fruit while river dolphins race through the canopy He explains the memory of a tree how those that have been shaken by wind grow thicker and sturdier while those attacked by pests grow smaller leaves the following year and reveals how it is that the same trees found in the United States are also native to China but not Europe From tiny saplings to centuries old redwoods and desert palms from the backyards of the American heartland to the rain forests of the Amazon and the bamboo forests Colin Tudge takes the reader on a journey through history and illuminates our ever present but often ignored companions

HEARINGS BEFORE THE COMMITTEE ON AGRICULTURE HOUSE OF REPRESENTATIVES SIXTY-FOURTH CONGRESS FIRST SEASONS ON THE AGRICULTURE APPROPRIATION BILL SALARIES, OFFICE OF THE SECRETARY THURSDAY, FEBRUARY 3, 1916, 1916 Records & Briefs, Bulletin Dominion Museum (N.Z.), 1906 The Wisconsin Farmer, 1892 The English Grass Orchard and the Principles of Fruit Growing Arthur H. Hoare, 1928 **Annual Report of the Governor of Puerto Rico** Puerto Rico.
