One Last Look Susanna Moore, 2012-07-04 Calcutta in 1836 an uneasy mix of two worlds the patient implacably unchangeable India and the tableau vivant of English life created of imperialism s desperation This is where Lady Eleanor her sister Harriet and her brother Henry the newly appointed Governor General of the colony arrive after a harrowing sea journey from Heaven across the world to Hell But none of them will find India hellish in anticipated ways and some including Harriet and against her better judgment Eleanor will find an irresistible and endlessly confounding heaven In Lady Eleanor whose story is based on actual diaries we have a keenly intelligent and observant narrator Her descriptions of her profoundly unfamiliar world are vivid and sensual The stultifying heat the sensuous relief of the monsoon rains the aromas and colors of the gardens and marketplaces the mystifying grace and silence of the Indians themselves all come to rich life on the page When she Harriet Henry and ten thousand soldiers and servants make a three year trek to the Punjab from Calcutta under Henry s failing leadership Eleanor s impressions of the people and landscape are deepened charged by her own revulsion and exaltation My life she says once a fastidious nibble has turned into an endless disorderly feast Harriet whose passivity conceals a dazed openness to the true India and Henry with his frightened adherence to the crumbling ideals of empire become foils to Eleanor s slow but inexorable seduction Historically precise gorgeously evocative banked with the heat of unbidden desires One Last Look is a mesmerizing tale of the complex lure of the exotic and the brazen failure of imperialism both political and personal It is a powerful confirmation of Susanna Moore s remarkable gifts
