

PRINCIPLES OF SUSTAINABLE DEVELOPMENT

Fairness Across Generations (Intergenerational Equity)

01

We must meet today's needs without compromising the ability of future generations to meet theirs.

Justice Within Our Generation (Intragenerational Equity)

02

Everyone should have equal access to resources, opportunities, and a decent quality of life.

Protecting Our Planet (Environmental Stewardship)

03

Safeguarding ecosystems, reducing pollution, and conserving biodiversity are essential for a sustainable future.

Smart Decision-Making (Integrated Approach)

04

Economic, social, and environmental factors should be considered together for balanced progress.

The "Better Safe Than Sorry" Rule (Precautionary Principle)

05

If an action may cause harm, take preventive measures even without full scientific certainty.

Public Participation & Transparency

06

Informed and engaged communities drive better decisions for sustainability.

Making Polluters Pay (Polluter Pays Principle)

07

Those responsible for environmental damage should bear the costs of fixing it.

Shared Responsibility, Different Capabilities

08

All nations should work toward sustainability, but wealthier countries must support those with fewer resources.

Omoruyi,2017-09-20 This title was first published in 2001 This thorough and comprehensive examination of the nature and pattern of post Cold War aid to sub Saharan Africa provides incisive comparative case studies of the motivations behind the foreign aid policies of key members of the Development Association Committee DAC In one of the most rigorous contemporary efforts to evaluate the adequacy of the dominant theories of international relations on an important subject like foreign aid Dr Omoruyi eschews easy answers to the problem of Africa's marginalization in the international system He provides thoughtful innovative suggestions for promoting a new development partnership between industrialized countries and Africa using a sophisticated quantitative method of inquiry making this text a valuable contribution to social science literature on research methods [Development Assistance Manual Dac](#) Organisation for Economic Co-operation and Development Staff,1994-06-01 *DAC Guidelines and Reference Series Development Assistance Manual DAC Principles for Effective Aid* OECD,1992-11-14 *Research Handbook on International Law and Terrorism* Ben Saul,2020-04-24 This newly revised and updated second edition provides a comprehensive overview of international counter terrorism law and practice Brand new and revised chapters provide critical commentary on the law from leading scholars and practitioners in the field including new topics for this edition such as foreign terrorist fighters the nexus between organized crime and terrorism and the prevention of violent extremism [Governing the World Economy](#) Willem Molle,2013-09-05 The major problems the world faces have increased since the turn of the millennium Recurrent storms on the financial markets have ravaged many countries poverty is still widespread notwithstanding decades of massive development aid the environment remains in acute jeopardy and the major world institutions have often reached an impasse in attempting to combat these difficulties The issues ask for rapid and consistent action by policy makers but the interests of international organizations such as the WTO World Bank and Kyoto protocol have become too diversified to come to multilateral agreements setting uniform rules and asking for

strict compliance with these rules Alternative solutions are sought and development in the future is likely to be characterized by fuzzy and complex interactions between flexible groups of actors seeking agreements on the solutions for the most pressing new problems Progress will become rather unpredictable and will depend on time place and subject specific cases as well as convergence of interests This need not be only negative Flexible solutions have the advantage that they can be easily adapted in case the conditions change In this new book the follow up to his Global Economic Institutions Willem Molle maps out the unfolding of this process

Do the Effectiveness Principles Matter for Development? Rachel M. Gisselquist, Patricia Justino, Andrea Vaccaro, 2023 The Principles of Effective Development Co operation provide an important reference point for foreign aid and international development assistance Although the principles country ownership focus on results inclusive partnerships and transparency and mutual accountability are framed to support more effective development cooperation there has been insufficient systematic research on their measurement and impact We address this gap and consider what can be learned about this relationship using the Global Partnership for Effective Development Co operation s GPEDC monitoring framework We draw on standard social science approaches to conceptualization and measurement and descriptive statistical analysis to explore the relationship between adherence to the effectiveness principles and various development outcomes We find that across countries the empirical relationship between currently available GPEDC data and development outcomes is tenuous at best Shortcomings in the data are a key reason for this lack of evidence Some of these could be fixed straightforwardly with adjustments to the indicators and data collection approaches but many relate to inherent challenges to measurement in this area
