Manager's Guide to Compliance Anthony Tarantino,2006-04-21 Compliance requirements are here to stay Prepare your company for the growing challenge A Wall Street Journal Harris poll revealed that two thirds of investors express doubts in the ability of corporate boards of directors to provide effective oversight In the shadow of recent global scandals involving businesses such as Parmalat and WorldCom **Manager s Guide to Compliance Best Practices and Case Studies** is essential reading for you whether your organization is a major corporation or a small business This timely handbook places U S and global regulatory information as well as critical compliance guidance in an easy to access format and helps you make sense of all the complex issues connected with fraud and compliance Wide perspectives and best practices combined deliver a punch that will knock your SOX off The author has blended together a critical mix necessary for effectively handling the requirements of SOX Rob Nance Publisher AccountingWEB Inc Robust compliance and corporate governance is an absolute necessity in today s business environment This new book by Anthony Tarantino is an authoritative guide to understanding and implementing compliance and regulatory requirements in the United States and around the world From SOX to COSO to ERM this book covers them all Martin T Biegelman Certified Fraud Examiner Fellow and Regent Emeritus of the Association of Certified Fraud Examiners and coauthor of Executive Roadmap to Fraud Prevention and Internal Control Creating a Culture of Compliance If compliance wasn t difficult enough now companies are faced with a barrage of technology vendors claiming to automate compliance as if it were a project In his new book Dr Tarantino paints the reality of the situation companies need to embrace the broader tenets of governance and use technology to embed governance policies and controls into their daily business processes Only then can they gain business value from their compliance investments Chris Capdevila CEO and cofounder LogicalApps [The practical cotton spinner and manager's assistant](#) W. Leigh,1866 [Management and the Gospel](#) B. Dyck,2013-01-07 The goals of Management and the Gospel Luke s Radical Message for the First and Twenty First Centuries may appear to be simple it describes what management theory and practice looked like in the first century uses this as a lens to examine what the Gospel of Luke says about management and draws out implications for today However the book is quite profound in finding that management is a dominant theme in the Gospel that its message is consistently counter cultural and that Luke contains a four phase how to process model to help readers to implement change Readers will acquire a new way to understand the Gospel as well as the moral foundations of modern management
