Torch Songs:

Torch Songs KJ Johns,2023-09-21 When recently widowed Kay Gates moves to Sydenham Ontario to start a new chapter in her life she is hoping for some peace after a difficult year However what she finds instead is anything but idyllic Shortly after she realizes her home is haunted by a ghost with an agenda the house across the road is destroyed by arson and Kay stumbles upon a murder scene next door Fortunately she doesn't have to go through all of this alone Her best friend Jules moves in after splitting with her wife and Jo a local baker and volunteer firefighter quickly becomes her roomie's plus one Her weeks fill up with visits from her disabled adult son Ben and the handsome Detective Jack Murphy suddenly seems to be around an awful lot With Kay's supernatural encounters increasing and her own personal safety threatened she struggles to make sense of seemingly unconnected events And while the torch songs of potential love keep getting louder Kay begins to realize that she needs to examine the past to make sense of the present because if she doesn't figure it all out fast she might be the next one burned

Continuum Encyclopedia of Popular Music of the World John Shepherd,2003-07-08 The Bloomsbury Encyclopedia of Popular Music Volume 2 explores elements of production and performance and their relationship to popular music This second volume consists of 460 entries by 130 contributors from around the world and is arranged in four parts Part I Performers and Performing Part II Musical Production and Transmission Part III Musical Instruments and Part IV Musical Forms and Practice Entries include musical examples bibliographies discographies and filmographies This and all other volumes of the Encyclopedia are now available through an online version of the Encyclopedia https://www.bloomsburypopularmusic.com/encyclopedia/work/docid/BPM_reference_EPMOW A general search function for the whole Encyclopedia is also available on this site A subscription is required to access individual entries Please see <https://www.bloomsburypopularmusic.com> for librarians

City Songs and American Life, 1900-1950 Michael L. Lasser,2019 Nothing defines the songs of the great American songbook more richly and persuasively than their urban sensibility During the first half of the twentieth century songwriter such as Harold Arlen Irving Berlin Dorothy Fields George and Ira Gershwin and Thomas Fats Waller flourished in New York City the home of Tin Pan Alley Broadway and Harlem Many of these remarkably deft and forceful creators were native New Yorkers Others got to Gotham as fast as they could Either way it was as if from their vantage point on the West Side of Manhattan these artists were describing America not its geography of politics but its heart to Americans and to the world at large In *City songs and American life 1900-1950* renowned author and broadcaster Michael Lasser offers an evocative and probing account of the popular songs including some written originally for the stage or screen that America heard and sang and danced to during the turbulent first half of the twentieth century Lasser demonstrates how the spirit of the teeming city pervaded these wildly diverse songs Often that spirit took form overtly in songs that portrayed the glamor of Broadway of the energy and jazz age culture of Harlem But a city bred spirit or even a specifically New York City way of feeling and talking also infused many other widely known and loved songs stretching from

the early decades of the century to the twenties the age of the flapper bathtub gin and women s right to vote the Great Depression and finally World War II Throughout this remarkable book Lasser emphasizes how the soul of city life as echoes in the nation s songs developed and changed in tandem with economic social and political currents in America as a whole

Dust jacket flap **Continuum Encyclopedia of Popular Music of the World, Volume 2** John Shepherd,David Horn,Dave Laing,Paul Oliver,Peter Wicke,2003-05-08 The Bloomsbury Encyclopedia of Popular Music Volume 1 provides an overview of media industry and technology and its relationship to popular music In 500 entries by 130 contributors from around the world the volume explores the topic in two parts Part I Social and Cultural Dimensions covers the social phenomena of relevance to the practice of popular music and Part II The Industry covers all aspects of the popular music industry such as copyright instrumental manufacture management and marketing record corporations studios companies and labels Entries include bibliographies discographies and filmographies and an extensive index is provided **Continuum Encyclopedia of Popular Music of the World Volume 8** John Shepherd,David Horn,2012-03-08 See [At Last - 20 Classic Torch Songs](#) Judy Garland,2013 **Songs of Two Centuries** Will Carleton,1902 *New York Court of Appeals.
