Tormented First:

Free Molli Nicholson, 2024-06-21 In this powerful collection of poetry author Molli Nicholson bravely shares her journey of surviving domestic abuse and finding the strength to break free Drawing from her own painful experiences Nicholson gives voice to the often unspoken reality endured by so many women With raw emotion and unflinching honesty she explores the cycle of abuse the shattering of self and the slow path to healing From the early red flags to the depths of despair Nicholson's poems paint a vivid and haunting portrait of living with an abuser Yet amidst the darkness a resilient spirit emerges determined to reclaim identity and worth Her words serve as a lifeline to other survivors offering validation understanding and the hope of a new beginning

Love and Need Adam Plunkett, 2025-02-18 A TIMES LITERARY SUPPLEMENT BOOK OF THE YEAR Braiding together biography and criticism Adam Plunkett challenges our understanding of Robert Frost's life and poetic legacy in a pathbreaking new work By the middle of the twentieth century Robert Frost was the best loved poet in America He was our nation's bard simple and sincere accompanying us on wooded roads and articulating our hopes and fears After Frost's death these clichés gave way to equally broad though opposed portraits sketched by his biographers chief among them Lawrence Thompson When the critic Helen Vendler reviewed Thompson's scathing biography she asked whether anyone could avoid the conclusion that Frost was a monster In *Love and Need: The Life of Robert Frost's Poetry* Adam Plunkett blends biography and criticism to find the truth of Frost's life one that lies between the two poles of perception Plunkett reveals a new Frost through a careful reading of the poems and the people Frost knew best showing how the stories of his most significant relationships heretofore only partly told mirror dominant themes of Frost's enduring poetry withholding and disclosure privacy and intimacy Not least of these relationships is the fraught intense friendship between Frost and Thompson the major biographer whose record of Frost Plunkett seeks to set straight Moving through Frost's most important work and closest relationships with the attention to detail necessary to see familiar things anew Plunkett offers an original interpretation of Frost's poetry tracing Frost's distinctive achievement to an engagement with poetic tradition far deeper and more extensive than he ever let on Frost invited his readers into a conversation like the one he sustained with his literary forebears intimate and profound yet he kept his private self at a remove Here Plunkett brings the two together the poet and the poetry and draws us back into conversation with America's poet

Phantoms of Breslau Marek Krajewski, 2014-01-07 *Phantoms of Breslau* is a cynical moody thriller which solidifies Krajewski's position as a distinctive voice in contemporary European fiction Irish Examiner *Breslau* 1919 The hideously battered naked bodies of four sailors are discovered on an island in the River Oder When Criminal Assistant Eberhard Mock back from the war arrives at the scene to investigate he finds an enigmatic note addressed to him insisting that he admit to past mistakes and become a believer As he endeavors to piece together the elements of the brutal crime Mock combs the brothels and drinking dens of the then still German city of Breslau and is drawn into an insidious game it seems that anyone

he questions during the course of the investigation is destined to become the next victim Meanwhile Mock uncovers a secret society that has the Criminal Assistant himself clearly in its sights Dark sophisticated and uncompromising the distinctive Breslau series has already received broad critical acclaim Phantoms of Breslau confirms Eberhard Mock as one of the most outrageous and original detectives in crime fiction **The Life of Robert Frost** Henry Hart,2017-04-17 The Life of Robert Frost presents a unique and rich approach to the poet that includes original genealogical research concerning Frost s ancestors and a demonstration of how mental illness plagued the Frost family and heavily influenced Frost s poetry A widely revealing biography of Frost that discusses his often perplexing journey from humble roots to poetic fame revealing new details of Frost s life Takes a unique approach by giving attention to Frost s genealogy and the family history of mental illness presenting a complete picture of Frost s complexity Discusses the traumatic effect on Frost of his father s early death and the impact on his poetry and outlook Presents original information on the influence of his mother s Swedenborgian mysticism
