Prophetic Figures in Late Second Temple Jewish Palestine Rebecca Gray, 1993-05-06 Isolated passages from the writings of Josephus are routinely cited in general studies of early Jewish prophecy but the present work is the first comprehensive examination of this material Gray begins with a discussion of the significance of the belief widely attested in Jewish sources from the late Second Temple period that prophecy had ceased She proceeds to outline a general theory about the nature and status of prophecy in this period Giving careful consideration to the prophetic claims that Josephus makes for himself she argues that these claims are more substantial and more important for understanding Josephus than is usually thought Gray goes on to examine Josephus reports concerning prophecy among the Essenes and Pharisees and his accounts of the activities of the sign prophets and other figures In every instance Gray interprets the evidence about prophecy in relation to Josephus personal career and his thought and work as a whole Drawing on a range of evidence much of which has not played a significant role in other studies of early Jewish prophecy this book is essential reading for anyone interested in Josephus the history of prophecy in Israel or the historical Jesus

The Two Standards William Francis Barry, 1898 *Dreams, Illusion, and Other Realities* Wendy Doniger O'Flaherty, 2015-05-14 Wendy Doniger O'Flaherty weaves a brilliant analysis of the complex role of dreams and dreaming in Indian religion philosophy literature and art In her creative hands enchanting Indian myths and stories illuminate and are illuminated by authors as different as Aeschylus Plato Freud Jung Kurl G del Thomas Kuhn Borges Picasso Sir Ernst Gombrich and many others This richly suggestive book challenges many of our fundamental assumptions about ourselves and our world Mark C Taylor New York Times Book Review Dazzling analysis The book is firm and convincing once you appreciate its central point which is that in traditional Hindu thought the dream isn't an accident or byway of experience but rather the locus of epistemology In its willful confusion of categories its teasing readiness to blur the line between the imagined and the real the dream actually embodies the whole problem of knowledge O'Flaherty wants to make your mental flesh creep and she succeeds Mark Caldwell Village Voice

The Holy Book Of El Shaddai Efen

Gamboa,2017-06-30 The Hebrew name of God in the holy writings is El Shaddai El means God Creator and Shaddai means Almighty El Shaddai is the name of God Although we read other names given to God in the Old Testament none of those names are the true name of God Names such as Lord Yahweh and Jehovah were never spoken or pronounced in Israel in the entire Old Testament as their god Before the Kingdom of Judah fell El Shaddai warns the Judeans that their false prophets have changed his name with Baal which is the same name as Lord And it shall be at that day says El Shaddai that you shall call Me Ishi my beloved and shall call Me no more Baali my lord For I will take away the names of the Baalim lords gods out of their mouth and they shall no more be mentioned by their name
